**CANADIAN CITIZEN FEATURED ON EL PASO'S MOST WANTED
IN OCTOBER SENTENCED FOR DECEPTIVE BUSINESS**

El Paso County Attorney Jo Anne Bernal today announced the sentencing of a Canadian citizen accused of committing Deceptive Business Practices in El Paso.

This morning, 71-year-old Gordan Gladu received a 331 day sentence after pleading guilty to two Deceptive Business Practice cases, crimes involving fraud and deceit punishable by up to one year in jail and/or a fine not to exceed \$4,000.

Between March and October, 2010, Gladu, who was doing business as G & G Services," received more than \$8,000 from 2 victims to install new windows, but the windows were never delivered.

After accepting the guilty plea this morning, County Criminal Court at Law #1 Judge Alma Trejo sentenced Gladu to 300 days in jail in one case (which involved almost \$8,000), and to 31 days in jail in the second case.

Shortly after appearing in Crime Stoppers of El Paso Most Wanted list on October 11, 2010, Gladu was arrested. At the time of his arrest, Gladu was on probation for Theft of Property of more than \$20,000 but less than \$100,000.

El Paso County Attorney Jo Anne Bernal said this case should serve as a warning to contractors who seek to deceive the public. Bernal further advises consumers to be cautious when hiring contractors, landscapers, or other businesses that ask for money in advance, or make promises of huge savings.

“Mr. Gladu has a long criminal history and continued to cheat consumers even after being placed on probation. Consumers need to remember that if they pay for work in advance it is very difficult to get their hard-earned money back if the work is never delivered," Bernal said.
