### ADDENDUM 3

To: All Interested Proposers

From: Claudia Sepulveda, Bid Clerk/Buyer

Date: March 15, 2006

Subject: Bid #06-007 Copiers for the Sheriff's Office

---

The Purchasing Department received questions relating to the above referenced proposal. The Sheriff's Office has responded to the following question:

1. Regarding the copiers for the Sheriffs Department located at Floor Library, Operations Section Office 1st Floor, Shift's 2ndFloor, Commander's Office 1st Floor, CID (ID&R), and Administration Office 3rd Floor: The question asked was, "Is the monthly volume of 150,000 per unit or combined (respectively per model)" and the answer was 150,000 per unit. Our concern is if this is true that it is 150,000 per unit per month that the volume quoted is off of a brochure and not actual volume. (e.i. The County print shop located in the Basement of the County building runs approximately 150,000 per month.)

What is the actual paper capacity needed per unit?

**Actual volume for each machine is approximately 70,000. Sometimes we go over this amount. Keep in mind the Jail is 24/7 operation and many copies are made each time an inmate is processed and each has many reports to be copied during a 24 hour period.**
