ADDENDUM 1

To: All Interested Proposers

From: Claudia Sepulveda, Bid Clerk/Buyer

Date: April 27, 2006

Subject: Bid #06-027 Cellular Telephone Service for the County of El Paso

The Purchasing Department received questions relating to the above referenced proposal:

1. On line 5, it states Proposer will be required to provide the County two (2) cellular phones for a thirty (30) day testing period. Would this request be prior to the opening of the bids, or after?

Cellular phones for testing will be required after the bid has been awarded.

2. On page 3 (provide the following) #3 of the bid you refer to mobile data communication. Are you referring to mobile data on the 245 handsets, on a separate device such as a blackberry, or a data card that is a modem for a laptop? If these separate devices for mobile data are they included in the 245 cellular units?

Currently mobile data communication is not included with the current handsets. We are asking for options that would be available for the County to stay current with technology.

3. On what date will the bid be awarded?

We are looking to award the bid as soon as possible; however we do have to follow procedures that may take several weeks.
