Subject: RFQ# 06-087, Engineering Services for the El Paso Hills Project

The Purchasing Department received questions relating to the above referenced proposal. The Road and Bridge Department has responded to the following questions:

1. Are the front and back covers and dividers counted as part of the maximum ten (10) pages allowed by the RFQ?

No.

2. Do the signature page and cover letter count as part of the maximum ten (10) pages allowed by the RFQ?

No.

3. Are the copies of the professional liability certificate of insurance part of the ten (10) pages maximum allowed by the RFQ?

No.

4. Are the copies of the State of Texas licenses for P.E. and R.P.L.S. part of the ten (10) pages allowed by the RFQ?

NO.

5. Are the resumes to be counted as part of the maximum ten (10) pages allowed by the RFQ?

No.

6. Is the County of El Paso's Certifications regarding lobbying, debarment, suspension, etc. form sufficient evidence that the firm is not barred from working on projects funded by the State of Texas? Or do we also need to submit TxDOT's Debarment Certification Form (CCO-16)?

Yes this form will suffice.

7. Are the Certifications regarding lobbying, debarment, suspension, etc., consideration of insurance benefits form, and CIQ forms part of the ten (10) pages maximum allowed by the RFQ?

No.

8. Will the selected consultant be required to provide materials testing during construction as part of the consultant's scope of work?

No.

9. Please provide a list of streets to be reconstructed.

Once an Engineering firm has been selected the complete list will be given in the scope of work.

10. Please provide the construction budget.

This project is to be constructed with County forces.
