---

The Purchasing Department received questions relating to the above referenced proposal; the response to the following question:

- 1. We build the Surrey Command Centers. We are custom builders and do not base the construction on a modified cargo trailer as the unit spec'd. Will an alternate bid be acceptable?**

YES - As long as all of the criteria, other than the basic trailer construction, are met.

- 2. Can the deadline for questions on Bid 08-003 Command and Control Trailer for the Homeland Security Section for the Sheriff's Office be extended?**

It can be extended if necessary. We do not need to extend at this time.

- 3. Do you have a contact person or company for this item? (60 foot tower)**

NO
