---

The Purchasing Department received questions relating to the above referenced proposal; the response to the following question:

1. Can this product be delivered to facilities on the same order day as the current food delivery?

Deliveries are done as per multiple dates on purchase orders (for the jail facilities) for any given dept., either they call in the order as per an open PO (Adult Probation & Juvenile Justice Centers) or orders can be increased accordingly to population.

2. Will once a week be sufficient for deliveries or are additional deliveries required?

Like above, milk orders will be placed more than once a week.
