ADDENDUM 2

To: All Interested Proposers
From: Linda Gonzalez, Inventory Bid Technician
Date: June 3, 2008
Subject: Bid # 08-075, Twenty (20) Video Systems for Surveillance Equipment - Sheriff's Department

The Purchasing Department received questions relating to the above referenced proposal; the response to the following question:

1. It appears that you're only looking for AXIS Camera's could you please confirm this? **Yes, just cameras**
2. If you looking for recording devices also for a "complete System" what type are you're looking for? **No**

On your Packet page 6 titled "Technical Specifications"

3. Which cellular –PCS provider are you using for this type of service? Sprint or Verizon. **We are using Sprint.**
4. Do we provide a quotation on the monthly fees or just equipment? **No**
5. Do we need to quote installation fees and need accessories such as NEMA enclosures, surge protection, conduit, wiring, etc.? **No**
6. Is there a particular cellular-PCS-WAN router modem model you are currently using? **No**

7. Would the County consider using another wireless transport solution (not WiFi-based) to save on monthly services charges and allow for 24/7 surveillance without having to initiate a phone call? **No**

8. Please clarify the section labeled Technical Specifications. Does this section refer to the Axis 214 PTZ network camera or an antenna system? If it refers to a wireless antenna system can you specify band, model and quantity? **No Antenna system it refers to Axis 214 PTZ network camera or equal to.**

9. Will any camera housing be needed? **No**

10. Will any Axis software be needed to control the cameras and if so how many licenses/ computers? **No**
