ADDENDUM 2

To: All Interested Proposers

From: Linda Gonzalez, Inventory Bid Technician

Date: July 11, 2008

Subject: RFP # 08-090, (RFP) Cooling Supply Upgrade Fan for the Detention Facility

The Purchasing Department received questions relating to the above referenced proposal; the response to the following question:

1. In the bid introduction, proceeding the "Scope of Work, is the following sentence; "The electric motor is connected to a variable frequency drive and the motor speed is controlled by a computerized Honeywell Building Automation System". The following description of equipment and work leads me to believe that it is the intent to reuse the existing variable frequency drives; is this assumption correct?

Yes, that is correct.
2. Is it possible to view the jobs site conditions and scope of work before we submit a proposal on this job?

Yes, please contact Mr. Jerry Avila, Detention Facility Maintenance Foreman, to schedule the visit. He can be reached at: 915 546-2238, Monday through Friday, between 07:00 hour and 16:00 hours.
