ADDENDUM 1

To: All Interested Proposers

From: Lucy Balderama, Inventory Bid Technician

Date: August 1, 2008

Subject: BID # 08-111, BID Exterior/Interior and Communication Equipment for the Patrol Vehicles

Please make the following changes to the specifications:

Item "I" should read:

Kustom Signals Digital Eyewitness ION Eclipse with Control Center, Monitor, Recorder/Computer, Sony Camera w/zoom lens, ClearComm SDD 900 MHz transmitter, GPS, ignition on/off, with two 80GHz removable hard drives w/ crash activation.

Item "O" should read:

Motorola VRM 850 (Vehicle RadioModem) 35 watt, with TX Messenger application software w/128 bit encryption programmed for operation on the El Paso City 800 MHz conventional data system to include roof mount antenna, mounting brackets, power surge protector fuse, and all required wiring and compression cabling. Radio component shall come with a two year extended warranty for a total of 3 years.

The Purchasing Department received questions relating to the above referenced proposal; the response to the following question:

1. Bid 08-111 has specifications for Motorola Vehicle Radio Modems which has been purchased previously with HGAC contract pricing thus elimination bidding requirement. Is the intention to remove the specifications from this bid and purchase with HGAC contract pricing?
The department was notified and recommended to continue with bid process.
