**Subject: BID # 08-115, Construction of Phase IA-Tornillo-Guadalupe New International Bridge Major Arterial Roadway**

---

The Purchasing Department received questions relating to the above referenced proposal; the response to the following question:

1. Do you have any idea when you might be advertising for bids to construct the new international bridge in El Paso?

The overall project schedule currently has the International Bridge Project being advertised for bids in late January 2011.

2. Will your agency be handling the bridge contract or will TXDOT?

The County of El Paso will be handling the contracting efforts for the International Bridge Project.

3. Do you have an idea what the budget is for the new bridge?

The current budget for the International Bridge Project is approximately \$ 5.4 million

4. Who is performing the design for the bridge: TxDOT or private design consultant?

The International Bridge Project has already been designed by the County of El Paso's prime engineering consultant for the project, Structural Engineering Associates, Inc.

---

5. Is there a point of contact & website for the international bridge project?

A Bid Technician from the Purchasing department will be handling this bid and will be the point of contact. Since this item is not in the bid process yet, we do not have a name for you.
