**(RFP) Drug Testing Laboratory  
Confirmation Services for Juvenile  
Probation Department**

**RFP #08-167**

**Opening Date  
Wednesday, December 10, 2008**

The purpose for this Proposal is for the El Paso County Juvenile Probation Department (JPD) to contract for confirmation testing of urine samples by a SAMSHA approved laboratory OR the College of American Pathologists accreditation. Multiple providers may be selected at the discretion of the JPD.

## **I. SCOPE OF WORK**

Successful vendor shall furnish drug testing laboratory confirmation services for the El Paso County Juvenile Probation Department (JPD). Vendor shall confirmatory testing reported at the limit of detection (LOD) utilizing GC/MS technology at a minimum on all submitted urine specimens that screen positive using point-of-collection devices. Vendor shall provide adulteration/dilution results when requested. All shipping and delivery charges of any kind must be included in the bid price. The contract will be for a period of one year and may be renewable for up two additional years for a total of three years. JPD estimates that approximately 200 plus specimens are sent for laboratory confirmation annually.

Successful vendor shall furnish all required chain of custody forms, bio-hazards bags, billable/shipping labels and shipper lab pack.

### **LABORATORY and CONFIRMATION SERVICES**

**The laboratory shall perform an initial test on all specimens that includes validity testing (i.e. creatinine, specific gravity, and pH) and immunoassay.**

SAMHSA screening cutoff levels will be observed when established for a particular class of drugs. Any specimen that does not test negative on the initial test must receive confirmation testing by gas chromatography/mass spectrometry (GC/MS). SAMHSA confirmation cutoff levels will be observed when established for a particular drug. Drug or metabolite concentrations must be reported at LOD with the confirmation results. The vendor's bid must specify the individual drugs or metabolites within a drug class for which the vendor will report at the quoted pricing. Confirmation for the presence of heroin must be included in the vendor's bid. The Department will not consider variable pricing based on the number of drugs or metabolites to be confirmed in a given specimen (i.e., "per analyte" basis). Analysis results for each specimen shall be received within 24 hours of collection for a negative test result and 48 hours for a positive result. **However, a 24 hour response time to both positive and negative test results is preferred.**

The vendor's laboratory must have Substance Abuse and Mental Health Services Administration or the College of American Pathologists accreditation at the time of response, and accreditation documentation must accompany responses to this RFP.

All confirmed positive samples must be maintained for a minimum of twelve (12) months. All records of samples tested must be made available (electronically/e-mail) to the Department(s) and maintained for three (3) years.

**Types of drugs to be screened (at a minimum at the request of the department and included in the pricing per specimen):**

#### **Opiates:**

Codeine  
Hydrocodone  
Hydromorphone

#### **Amphetamines:**

Amphetamine  
Methamphetamine  
MDA-3,4-Methylenedioxyamphetamine

Morphine  
Heroin  
Dextromethorphan (DXM)  
Methadone

MDMA-3,4-Methylenedioxymethamphetaimine

Benzodiazepine:

Diazepam  
Oxazepam  
Flurazepam

Barbiturates:

Phenobarbital  
Seconal  
Butalbarbital  
Secobarbital  
Amobarbital

Ethanol:

.05%

The proposing laboratory must work with the JPD to develop chain of custody and report forms that can be produced in an automated fashion and fit the operation of the JPD. Preference is for the electronic transmission of information concerning collection and result reports between vendor and the JPD.

**II. PRICING:**

The proposed pricing must include the costs of **per specimen** laboratory testing and GC/MS confirmation at LOD, shipping and transportation of urine specimens from the JPD to the laboratory, and reporting of results via an automated system. Transportation of specimens must occur as needed by the JPD but no less than once each weekday (Monday through Friday). Pick up times must be no later than 5:00 p.m. Monday through Friday.

GC/MS Confirmation at LOD per specimen \$ \_\_\_\_\_

Responses shall include a listing of all drugs within each class for which confirmation is routinely available without an additional charge (please refer to page 2 for requested drugs to be screened).

For example:

Under SAMHSA guidelines, a positive opiate screen normally would trigger confirmation for morphine and codeine, and for heroin, if morphine confirms above a certain level. JPD is interested in knowing via your proposal response whether you would charge for contamination of those, or for other opiates (e.g., hydrocodone, hydromorphone), without additional charge.

**III. PERFORMANCE MEASURES**

Vendor shall agree to the following performance measures:

Strategy 1: Provide onsite training at JPD on the use of laboratory testing, methods, and other pertinent information for probation officers and field compliance officers.

Measure: 100% of all requests for training on site will be provided during the term of the contract.

Adjustment: Any problems that arise related to responding to requests for training will be handled by calling and/or meeting with the vendor, as necessary.

Strategy 2: Vendor will respond to departmental inquiries regarding laboratory confirmation results.

Measures: 100% of all inquiries made by departmental personnel regarding results will be addressed by the selected vendor.

Adjustment: Any problems that arise related to responding to requests for clarification or further information from the laboratory will be handled by calling and/or meeting with the vendor, as necessary.

#### **VI. PROPOSAL EVALUATION:**

A representative from the El Paso County Purchasing Department will open the proposals immediately after the deadline and will record them. El Paso County may consider two (2) one year renewal options, based upon the same terms, conditions and pricing as the original year. Once the renewal options are exhausted, the contract must be rebid. If a proposer does not wish to consider a renewal, write "N.A." in the space for the year indicated.
