Subject: RFP # 09-004, (RFP) In-Home Services for the Juvenile Probation Department

The Purchasing Department received questions relating to the above referenced proposal; the response to the following question:

1. I had been viewing this RFP announcement and noticed that the RFP narrative was not posted on the county web site until about a week after it was announced. The web site said there was pending information from JPD to be release regarding this RFP. The due date for the RFP responses however remained the same Feb 4th. Will the due date be extended since the RFP was not fully posted until just several days ago?

The RFP was available on the web on Wednesday, January 21, 2009
The RFP will not be extended.
Opening date will remain on Wednesday, February 4, 2009 at 2:00 p.m.
