### ADDENDUM 3

To: All Interested Proposers

From: Linda Mena, Inventory Bid Technician

Date: August 6, 2009

Subject: Bid # 09-070, Furnish and Install Security Equipment for Five (5) of  
Justice of the Peace Locations

---

The Purchasing Department received a question relating to the above referenced proposal; the response to the following question:

1. On page 6 of the bid specifications, item #7 refers to metal detector wand. However, on page 7 and page 8 of the equipment required for each location, the handheld mental detector is listed as N/A which normally means "not applicable"

Is this item to be included or excluded from the bid?

Page 7 and 8 refers to equipment *installation locations*. The handheld metal detectors will be *furnished* at this location therefore they were included on the list, but they will not be *installed* in any particular area, therefore "N/A" was listed under "Area". The pricing for the handheld metal detectors are included in the pricing and should not be excluded from the bid.
