ADDENDUM 2

To: All Interested Proposers

From: Linda Mena, Inventory Bid Technician

Date: February 22, 2010

Subject: Bid # 10-012, Bid - One (1) Incinerator for the Disposal of Narcotics

The Purchasing Department received questions relating to the above referenced Bid; the response to the following questions:

1. Is there a pre bid meeting on site?

No

2. Will the incinerator be installed outdoors on existing concrete slab?

- Or does the bidder have to provide a slab for the incinerator?
- Or indoors? Please clarify.

Outdoors with some wall for inclement weather, this will be constructed by our maintenance along with the slab

3. Does the bidder supply the crane for unloading and erection of the incinerator?

Delivery and set up by bidder.

4. Is the bidder responsible for connection of utilities to the incinerator?

- If yes what is the distance to gas and electric?

Connections will be made by maintenance section.

5. Is any emission testing required of the bidder?

Yes, emission have to be compliant with state, county and city codes.

6. The bid documents refer to a hydraulic ram feeder and also to batch loading?

- **Which is the intent to be purchased?**
- **Manual feed by batch or continuous (3-4-cycles per hour) by hydraulic ram feed?**

Batch feed.
