ADDENDUM 1

To: All Interested Proposers

From: Linda Mena, Inventory Bid Technician

Date: August 16, 2010

Subject: RFI # 10-058, RFI for Multi-Systemic Therapy and Functional Family Therapy
The Purchasing Department received questions relating to the above referenced bid;
below are the responses to the following questions:

1. If the decision is made to issue a RFP, when do you anticipate the RFP will be released?
It is anticipated that a RFP will be issued within two to three weeks after the RFI deadline. The actually awarding of the RFP may take up to 45 days from the date the RFP closes in order to allow sufficient time to review proposals submitted and obtain approval from Commissions' Court.
2. Do you anticipate the RFP will be for MST or FFT or both?
It is anticipated that an RFP would be issued for both MST and FFT.
3. If the RFP is for both services would you be looking for one vendor to provide both services or two vendors?
The Department will seek the most qualified vendor(s) to provide the requested services.
4. The RFI indicates that "Respondents must demonstrate involvement and linkage within the community as evidenced by the letters of reference and support from the community". Our organization is not located in El Paso. May we provide letters of reference and support from other communities in which we are located? Yes, reference letters from you particular community would be appreciated. The vendor should also be able to identify a plan of action on how they will be able to include involvement and linkage with "local" community resources.
