## ADDENDUM 1

**To:** All Interested Proposers

**From:** Linda Mena, Inventory Bid Technician

**Date:** October 13, 2010

**Subject:** RFQ #10-076, RFQ - Engineering Services for the Design of Traffic Signals at the Intersection Pellicano Dr. & Sun Fire

---

The Purchasing Department received questions relating to the above referenced bid; below are the responses to the following questions:

1. Do the following pages count towards the 10 page limits of your instructions (Request for Qualifications, Item II, Statement of Qualifications, page 5) or are they considered attachments?
  - The signature page (1 page)
  - The certifications pages 7, 8, and 9 (3 pages)
  - Health insurance Benefits provide by bidder (1 page)
  - Certificate of Professional Liability insurance (1 page)
  - Certification that Firm is a Texas Registered Engineering Firm (1 page)
  - RFQ Title Page (1 page)
  - RFQ response section divider or separation pages
  - RFQ back cover (1 page)

**Answer: No, and they are not considered attachments.**
2. Does the County of El Paso plan to do any civil engineering work beyond the traffic signal design?( i.e. concrete curbing median modifications, communications systems, etc...)

**Answer: No**
3. What level of environmental documentation is the County requiring? Phase 1... through NEPA Statement?

**Answer: BCE Checklist.**
4. What level of coordination will be required with TxDot Austin?

**Answer: TxDOT Austin, will approve the plans.**

5. Will that coordination require travel to Austin?

Answer: It is up to the engineer to do whatever is necessary to get their approval.

6. In the Request for Qualifications, item IV, Qualification Submission, page 5- on the 4<sup>th</sup> bullet point ..... not barred from projects funded by the State of Texas. Is this a separate form from the debarment form the County requires for page 7, 8, & 9?

Answer: Yes
