## ADDENDUM 1

To: All Interested Proposers

From: Linda Mena, Inventory Bid Technician

Date: December 16, 2011

Subject: RFQ # 11-053, Engineering Services for Design of a Sewer System for the Tornillo/Guadalupe Port of Entry

---

### **Please Note:**

**The Request for Qualifications has been extended to Wednesday, December 28, 2011 at 2:00 p.m.**

The Purchasing Department received questions relating to the above referenced RFQ; the following is the response to the questions:

1. By when do we need to complete the mandatory ethics training?  
Answer: This training must be completed prior to submitting your request for qualifications.
2. Do you have a topographic and/or improvement survey or do we have to get one if needed?  
Answer: This is a Request for Qualifications
3. Do we have to submit insurance and bond information for our company only or do we have to provide subcontractors information as well?  
Answer: Only for the company that will sign the contract.

4. Is there going to be a pre-bid meeting with the county and the water district?

Answer: No

5. What if other questions arise, is there going to be an extension on the questions deadline?

Answer: No this is a request for qualifications on the criteria provided in the specifications

6. What are the limits of the area that this project intends to serve?

Answer: Currently it will serve the FPOE.

7. Does it include the Economic Development Corridor (EDC) that is part of the ongoing Port of Entry?

Answer: No

8. How much of the service area will be dedicated to the EDC?

Answer: None

9. Is there any preliminary work done e.g. Routes, flows, gravity lines vs. forces main?

Answer: There is a preliminary proposed route but nothing has been finalized. We are looking at a combination of both types of lines.
