Recommendations from the Evaluation Committee will be presented to the Commissioners' Court for award.

SECTION 2 – SPECIFICATIONS

1. INTENT

The Sheriff Office on behalf of the COUNTY of El Paso is requesting solicitations for a turnkey solution to fulfill the Surveillance and Access controls needs for the El Paso County Coliseum located at 4100 E. Paisano Dr. in El Paso Texas that will integrate easily, with no overhead to the COUNTY's existing environment, or any other burden to County departments.

MINIMUM SPECIFICATIONS: The specifications listed are to be interpreted as meaning the minimum required by the COUNTY. VENDOR commits to provide goods/services that are consistent with the COUNTY's specifications in every regard unless an exception is clearly noted. The COUNTY may accept a bid subject to an exception if, in the sole judgment of the COUNTY, the bid meets or exceeds the COUNTY's specifications. If the goods/services offered do not meet or exceed the COUNTY's specifications because of the exception, the COUNTY will consider the bid non-responsive.

ALTERNATE BIDS: The County welcomes alternative bids that the vendor is able to offer and that would be of greater value than what has been requested in this Bid. The County reserves the right to return to the top candidates to request a best and final Bid based upon one or more components of the initial Bid. The County reserves the right to negotiate certain terms and conditions relative to the contract. The County also reserves the right to choose the products that are in the best interest of the County.

CONTRACTS OR AGREEMENTS: The County of El Paso will work with the successful vendor's standard contract form and will be used as the basis of any negotiations. The County will review the contract and has the right to the final wording. The successful vendor(s) will be expected to agree to a contract in form and substance satisfactory to the County of El Paso and its legal counsel.

2. STANDARDS/EXPECTATIONS

The County of El Paso does not have a standardized camera infrastructure, but wishes to invest into industry leading camera/surveillance products and/or systems. If the COUNTY determines that a competing product does not meet the current industry standards, and it is not in the best interest of the county to invest into the product, or the product would require additional resources to install, train or operate, thereby indirectly impacting operating budgets, the County reserves the right to disqualify the Vendors bid based on these factors. The COUNTY will not accept refurbished, secondary market or grey market products or services to be proposed. During the selection process, the County reserves the right to verify the products with the manufacturer to determine the product's source for warranty purposes.

The winning bidder must provide a complete price per unit including three (3) year warranty and support for all products proposed in their bid. Failure to do so will cause the Bid to be non-responsive.

3. TECHNICAL SPECIFICATIONS

The County believes the numbers used as item quantities are a reasonably accurate estimate; however, the actual quantity may be more or less than the estimate, and shall not be the basis for any change in the contract. Additionally, estimates are minimums, but not guaranteed minimums, and the contract cost can increase so long as the unit costs remain the same and increased funds are appropriated within the budget or scope.

3.1 SCOPE OF WORK

The Camera systems will be installed at El Paso County Coliseum located at 4100 E. Paisano Dr. in El Paso Texas. The systems are a part of an initiative to provide security for the County Coliseum, in the event of a natural or man-made disaster, that would turn the facility into an alternate disaster shelter for the County of El Paso. The systems would be installed and serviced by the vendor. **The vendor may perform a walk-through of the site in order to better scope and propose a solution for the purposes of this solicitation. Walk-throughs are by appointment only**, and must be performed with the stakeholders, in this case, the Sheriff Office representative and/or Coliseum operator must be present. Omar Chavez, El Paso Sheriff's Office at (915)637-1914 or by email at ochavez@epcounty.com, for an appointment to perform a walkthrough of the locations identified by this bid in order to scope the project appropriately. EVALUATION FACTORS FOR AWARD

1. All offers are subject to the terms and conditions of this solicitation. Material exceptions to the terms and conditions, or failure to meet the County's minimum specifications, shall render the offer non-responsive to the solicitation.
2. Any award made under this solicitation shall be made to the bidder who provides goods or services, other than professional services as defined by Section 2254.002 of the Government Code, at the best value for the County. Factors to be considered in determining best value are included below.
3. As part of the requirement to establish the responsibility of the Vendor, the County of El Paso may perform a price analysis to determine the reasonableness of the price(s) at which the supplies and/or services are offered. Prices that are significantly lower than the mean of all offers and that appear to be unreasonably low may be determined to be evidence of non-responsibility due to items that were not included or other failures to meet the requirements, and therefore cause the Offer to be rejected. Vendors must read all the specifications and quantities carefully and be as inclusive as possible.
4. The Determination for the award will be derived by the total points given to each vendor based on the evaluation criteria.
