### ADDENDUM 1

To: All Interested Bidders

From: Lucy Balderama, Inventory Bid Technician

Date: June 11, 2012

Subject: RFP #12-043, Detoxification, and Substance Abuse Treatment for the WTCSCD (re-bid)

---

**This addendum has been issued to notify the vendors of the following questions submitted.**

1. Do the instructions mean that we have to submit the original and 5 copies of all of the attachments also?  
**Yes it does.**
2. Considering the size of the Thinking for a Change Curriculum, may we submit only one original copy of the English and one original copy of the Spanish version and include only the cover page and table of contents for inclusion in the 5 required copies of the application?  
**We will accept one original of English and one for Spanish and 2 copies.**
3. Is Bid # 12-043 referring also to substance abuse for outpatient services or it solely for Detox and residential substance abuse treatment?  
**This bid is only for inpatient services. I erroneously misread the question.**
4. Question submitted under prior RFP regarding provision of services in other than 24 hour inpatient setting was answered that this option would be considered, however RFP service description requires 24 hour staff supervision and other constraints that would only be applicable to an inpatient setting. Are there plans to revise the RFP to allow for non-inpatient settings for services?  
**No. I erroneously misread the question; these services are solely for detox and residential services.**
