Bid #13-066

**Opening Date
Monday, December 2, 2013**

The County of El Paso is issuing a Bid for routine vehicle maintenance and repair services for all County vehicles excluding Sheriff's Department vehicles. The vendor or vendors offering the best value to the County shall be selected based upon the selection criteria described in the bid specifications. Upon award, it is the County's intention to enter into a one (1) year agreement for routine maintenance and repair services, with the option to renew for two (2) subsequent 1 year periods based on mutual consent of both parties.

SCOPE OF WORK

The successful bidder(s) shall perform routine vehicle maintenance and repair services on County vehicles including sedans, light duty trucks, sports utility vehicles, vans, and heavy-duty trucks on an as-needed basis. There are approximately 200 County vehicles that may be serviced by this contract. The County will provide a list of the vehicles and their age to the contractor. The County may add vehicles or delete vehicles from its list during the term of this agreement at the discretion of the County of El Paso. Any vehicles added to the contract shall be offered the same bid prices as in the original bid. The County may require the contractor(s) to provide maintenance or repair services on other non-County vehicles that are currently providing transportation or delivery services under a County contract.

The contractor(s) shall provide bid prices for the following routine maintenance services on the vehicles listed:

- Oil change, filter replacement with fluid check

- Bulb or fuse replacement
- Wiper blade replacement
- Coolant flushes and refills
- Air conditioning system check up
- Safety inspection
- Annual vehicle inspection
- Towing
- Vehicle mechanical repairs

The contractor(s) will provide a written checklist at each oil change of the work performed. The list will consist of all fluid checks, brake check, tire check, belts and hoses, filters, wiper blades, and battery check. Contractor(s) must complete the checklist and detail all services performed and all costs associated with the service to include parts. The contractor(s) must also note any conditions observed that will require additional work and shall submit an estimate for repairs based on the rates for parts, labor, and any diagnostics offered in this bid.

Contractor shall provide a "reminder" sticker for the inside of the vehicle windshield to remind the user of their next maintenance check.

CONSTABLE VEHICLES PRIORITY

If parts are available at the contractor's facility, the contractor(s) must provide the Constable vehicles and other law enforcement related vehicles with a forty five (45) minute quick service on a "wait" basis for the following jobs:

- Oil change, oil filter replacement and chassis lube service with fluid check
- Transmission fluid and filter change service
- Wiper blade replacement

- Bulb or fuse replacement
- Annual vehicle inspection

The 45-minute quick service shall be at the same bid prices as listed under “Routine Maintenance Services”

NON-ROUTINE REPAIRS

The contractor(s) shall provide the County with a fixed price mechanic’s hourly labor rate and the proposed discount rate on repair parts for service not classified as routine maintenance. The discount rate on repair parts shall be from the manufacturer’s printed parts price list and shall remain fixed until the manufacturer provides an updated printed parts price list.

Any repair not considered routine maintenance as listed above and estimated over two hundred dollars (\$200) will require a written estimate and pre-approval by the Buyer in the Purchasing Department who is responsible for vehicle maintenance and repair purchases prior to performing any work on the vehicle. Written estimates should be emailed or faxed to the Purchasing vehicle repair Buyer directly.

All repair estimates must clearly identify the vehicle to be repaired to include the vehicle identification number (VIN) or license plate number, or unit number, work to be performed, and the date the estimate was submitted. All vehicle repairs on estimated work must be approved by the Vehicle Repair Buyer within sixty (60) days of the repair estimate or a new estimate must be submitted.

In the event any repair requires that a vehicle be kept overnight at the contractor’s repair facility, the contractor must secure the vehicle and place the vehicle in a secure area.

The contractor(s) shall arrange, if needed, towing services for County vehicles that may become disabled prior to reaching the contractor(s)’ repair facility. All County vehicles must be towed to the contractor(s) shop the same day the contractor(s) is notified and must be at the contractor(s)’ shop by the close of business hours. If towing service is contracted to a third party, the contractor(s) will pay the third party at the time of the tow and charge the County as a line item on the repair invoice. The contractor(s) shall provide the County with a fixed price bid on towing the disabled vehicle from within the County limits to the contractor(s)’ facility.

The contractor(s) shall provide the required services and will not subcontract or assign the services without the prior written approval of the County of El Paso.

The contractor(s) shall not hire any County employee for any of the required services without the prior written approval of the County of El Paso.

The parties agree that the contractor(s) are neither employees nor agents of the County of El Paso for any purpose.

When making written service estimates, the contractor(s) shall use the published industry standards found in the All Data Manual as its guide to estimate the maximum service time for repair. Repairs requiring additional labor in excess of the service time listed in the All Data Manual must have prior written approval of the Purchasing vehicle repair Buyer before any work is authorized to proceed.

Contractor(s) shall provide all parts at a discounted rate. Contractor quotations that include parts prices higher than the agreed upon discounted price shall be rejected.

If the contractor(s) offers the public any special pricing that is lower than the County's bid price, the contractor(s) must provide the lower price.
