457 Deferred Compensation Plan  
for County Employees**

**RFP # 17-038**

**Opening Date  
Thursday, August 31, 2017**

## **SECTION I**

### **GENERAL INFORMATION FOR VENDORS**

The County of El Paso (County) is accepting proposals from qualified firms to provide administration, recordkeeping, education, and investment management services for the County's Section 457 Deferred Compensation Plan.

#### **A. PURPOSE AND BACKGROUND**

##### **Purpose**

It is the intent of the County in exercising its fiduciary responsibility through the issuance of this RFP that the plan provide excellent value to its participants and that the participants are not materially disadvantaged by this process or its outcome.

The County maintains an IRS Code 457 Deferred Compensation Plan, presently utilizing three providers of plan administration services and investments. The County is looking for up to three providers with the goal of reducing overall investment fees charged to participants, increase investment options, and strengthen the County's portfolio strategy for participants. Listed below are the primary objectives of this review and selection process:

- Lower participant and plan expenses;
- Provide a simplified investment menu and a prudent number of investment options;
- Provide for an orderly and timely transition;
- Provide group seminars and individual meetings on investment and retirement planning topics;
- Provide appropriate level of plan sponsor administrative support.

##### **Background**

El Paso County was created from Bexar District in 1849, organized in 1850, and incorporated in 1871. Parts of El Paso County were taken to form Culberson County in 1911 and Hudspeth County in 1915. The County derived its name from being a well-known pass through the Rocky Mountains. It is the most western County in Texas, and is about equidistant from Houston, Texas, Los Angeles, California and Denver, Colorado. Bordered on the east side by Hudspeth County, El Paso County is just to the north of the International Boundary between the United States of America and the Republic of Mexico, and touches Doña Ana County in New Mexico. The County is a strategic crossroads for continental north-south and east-west traffic. The County spans a geographic area of about 1,058 square miles.

The County is a political subdivision of the State of Texas. The governing body of the County is the elected five-member Commissioners Court in accordance with the Texas Constitution, Article 5, §18(b). The Commissioners Court consists of, the county judge, who is elected at large to a four-year term, and four county commissioners, each elected to represent a precinct within the county for a four-year term. In all Texas counties, the county judge presides over Commissioners Court meetings.

As of September 30, 2011, the City of El Paso Planning, Research and Development Department officials estimated the County population at 800,647. The Current Active Employee population is 2,883.

The current El Paso County 457 plan was established in 2005 to offer an additional retirement option that enables eligible employees to defer a portion of their salary into a pre-tax deferred compensation retirement plan. Eligible county employees participate in the TCDRS (Texas County & District Retirement System) defined benefit plan by contributing 7% of their gross monthly compensation. The 457 plan is supplemental to the County's defined benefit plan.

**Employee Demographics**

- Total number of eligible employees: 2,600
- Total active (contributing) participants: 843
- Payroll: The County of El Paso utilizes the Tyler Munis system. There are 26 pay periods annually and the County processes payroll checks biweekly
