Subject: RFP 19-021 Guardianship Services for the County of El Paso

The Purchasing Department has received the following questions:

1. Page 18 of the packet states that the vendor must have been in business for at least one year. On page 8 it states that the vendor must have been providing guardianship services for a minimum of 5 years. Can the County clarify which it is?

RESPONSE: Vendor must have been providing guardianship services for a minimum of 5 years.

2. Regarding the performance bond. The vendor has one right now, would the vendor need to get a new one, or just allow the current one to continue and show proof of having it?

RESPONSE: Performance bond is for the contract being entered into. If the vendor currently has one, it is only for the contract under which they are currently working. Performance bonds are not due until after contract award.

3. Why is this RFP being solicited?

RESPONSE: The County is seeking a qualified firm to perform the service.
