ADDENDA 1

To: All Interested Vendors
From: Blanca Güereca, Procurement Data Analyst
Date: August 8, 2019
Subject: Bid 19-033 Off-Site Vehicle Fueling (Gasoline and Diesel) for the County of El Paso

The Purchasing Department has received the following questions:

1. Does the County have the delivery locations, tank sizes, if they are above or below ground, type of fuel per location and tank and the average delivery quantity?

RESPONSE: This bid is for offsite fueling (Fuel card) and has nothing to do with bulk deliveries

2. Page 8, Pricing paragraph: Which OPIS ticker will the vendor be referencing?

RESPONSE: The Oil Price Information Service (OPIS) ticker for El Paso TX.

3. Is the certified cashier's check or a good and sufficient Bid Bond in the amount of 5% of the total contract price required in order to be considered for the Bid?

RESPONSE: In accordance with the Purchasing Local Government Code Section 262.031 the Bid Bond should be 5% of the total amount of the contract in the form of a certified cashier's check or Bid Bond.

4. Boycott of Israel: What is required in the certified writing? A word document saying that we do not and will not boycott Israel during the term of the contract? Signed?

RESPONSE: A signed verification statement on the company letterhead is fine.

5. Is the local business preference policy required to be filled out to be considered for the Bid?

RESPONSE: Any vendor may submit a response without applying for the Local Business Preference. However, if a vendor chooses to apply for the

consideration, the vendor must strictly adhere to the requirements listed and provide the verification as stated in the Local Business Preference packet contained in the BID. Note that in accordance with local government code 271.905, Local Business Preference can only be applied to the purchase of real property or personal property not affixed to real property.
