## **ADDENDA 1**

To: All Interested Vendors  
From: Blanca Güereca, Procurement Data Analyst  
Date: June 23, 2022  
Subject: Bid 22-026 Indigent Cremation and Removal Storage of Bodies for the County of El Paso

---

### **This addendum has been issued to notify vendors of the following:**

1. On item #1 (Cremation), is this the Total price of the cremation service? Is this the total that includes the removal, refrigeration, cremation container, facility, clerical, crematory fee, and death certificate? Or is this just a portion of the whole total cremation? Reason is that Item 1,2,3 are normally all included in the cremation process, is it asking for the Total on Item1, and then Item 2 and 3 are the broken down items for Item 1?

**Response: The total price of #1, Cremation, shall be the sum of all services to include, removal/refrigeration, cremation container, facility, clerical, crematory fee, and death certificate.**

2. How many cases of cremations were done last year?

**Response: Last year the County averaged 12 cremations per month.**

⇒ **12 cremations/month x 12 months = 144 cremations/year => this is our projection based on what we averaged monthly.**
