ADDENDUM 3

To: All Interested Vendors

From: Araceli Hernandez; Formal Bid Buyer

Date: March 28, 2023

Subject: RFP 23-012 Promotional Testing Services for the County of El Paso Human Resources Department to Administer Law Enforcement Promotional Testing for the Sheriff's Office

This addendum has been issued to notify vendors of the following:

1. Exemptions to General Requirements on page 22 of the RFP. It references a separate document; we don't see a separate document attached so want to confirm we are to use our own separate document.

Response: The reference page can be found on page 30 of the specifications. The vendor may attach additional references and uploaded it as additional information on a separate document.

2. Non-Collusion Affidavit referenced on page 27 of the RFP, we do not see the affidavit included in the packet obtained from IONWAVE, and we do not see it referenced in the Checklist included with the RFP.

Response: The Non-Collusion Affidavit is a document for bids and subcontractors. This document does not pertain to this proposal.

3. Certifications (pages 37-39), on the bottom of page 39 it states that "*All four (4) pages of this document must be included in all responses." We only find three (3) pages.

Response: The format shifted, and it is 3 pages (37-39). Acknowledge by signing the document and upload it as part of the proposal.
