The Honorable Josh Herrera
Justice of the Peace, Precinct 3
500 E. San Antonio
3rd Floor, Suite 308
El Paso, Texas 79901

Dear Judge Herrera:

The County Auditor's Internal Audit division performed an audit of the Justice of the Peace, Precinct 3 (JP3) financial records to determine if internal controls are adequate to ensure proper preparation of the JP3 financial reports. Policies, procedures, and regulations were also reviewed to ensure processes are documented, operating and efficient.

The audit report is attached. We tested two operational and six financial controls using 94 samples. There were no findings noted as a result of the audit procedures. We wish to thank the management and staff of JP3 for their assistance and courtesies extended during this audit.

Because of certain statutory duties required of the County Auditor, this office is not independent in regard to your office, as defined by AICPA professional standards. However, our audit was performed with objectivity and due professional care.

Respectfully,

A handwritten signature in blue ink that reads "Edward A. Dion".

Edward A. Dion
County Auditor

**JUSTICE OF THE PEACE, PRECINCT NUMBER 3
SEPTEMBER 2022 – MAY 2023
EXECUTIVE SUMMARY**

BACKGROUND

Justices of the Peace are elected officials and serve four-year terms. Precinct 3 (JP3) has judicial power over criminal cases involving minor offenses under their jurisdiction and civil matters where the amount in controversy does not exceed \$20,000. Other duties include issuing search and arrest warrants and the performance of marriage services. The current Justice of the Peace for JP3 has been in office since January 2019. The audit was performed by Patrice Hills, CIA, internal auditor certified. The most recent prior audit report was issued on September 20, 2022, with no findings.

Financial reports are generated from the Enterprise Justice System showing all transactions occurring each month. The following chart is a comparison of fees collected at JP3 for the past five fiscal years. Please note that in fiscal year 2020, all precincts experienced a significant decline in conjunction with COVID-19 restrictions. In fiscal year 2022, JP3 experienced a \$88,869 increase, attributed to an increase in adjudication of criminal cases and the filing of civil cases.

INHERENT LIMITATIONS

This financial review was designed to provide reasonable assurance that the internal control structure is adequate to safeguard the County’s assets from loss, theft, or misuse. The County’s internal control structure is designed to provide reasonable, but not absolute assurance that these objectives are met. The concept of reasonable assurance recognizes that: (1) the cost of implementing the controls should not exceed the benefits likely to be derived; and (2) the valuation of costs and benefits requires the use of estimates and judgment by management. Because of the inherent limitations in any system of internal controls, errors or irregularities may occur and not be detected.

CONCLUSION

JP3 met all objectives of this audit. Internal controls are adequate to ensure proper preparation of the JP3 financial reports. Processes documented appear to be operating efficiently.
