Prepared by the El Paso County Clerk's Office

To secure, preserve and generate public and vital records, upholding the highest standards of integrity as public servants, maximizing the use of technology and e-government services, while providing the utmost accurate, professional and efficient service to our community.

How to Register for eRecording

- Please visit [eRecording - Home Page - eRecording \(epcountytexas.gov\)](http://epcountytexas.gov) and download the registration form.
- Please note that eRecording is currently only available to authorized filers listed under Local Government Code Section 195.003(a).
- Email your form and any questions you may have to CountyRecording@epcounty.com

The image shows a registration form for the County Clerk eRecording Portal. At the top is the El Paso County Seal. Below it, the text reads "DELIA BRIONES COUNTY CLERK" followed by the address "303 E. San Antonio Suite 105, El Paso, Texas 79901" and phone/fax numbers. The form is titled "County Clerk eRecording Portal Registration Form". It includes three numbered instructions: 1. Fill out the form and email to CountyRecording@epcounty.com or press the submit button below. 2. You will receive an email with a link to the portal and your assigned user name and password. 3. Please change the password upon receipt for security reasons. Below the instructions are input fields for "Company Name", "Point of Contact", "Address", "Phone Number", and "Contact Email". There is a "Type of Filer" section with checkboxes for "Licensed Attorney", "Bank or Lending Institution", "Title Insurance Company/Agent", "State Agency", and "Municipal Clerk". An "Other (please specify)" field is also present. A "Submit" button is at the bottom.

To secure, preserve and generate public and vital records, upholding the highest standards of integrity as public servants, maximizing the use of technology and e-government services, while providing the utmost accurate, professional and efficient service to our community.

eRecording in Four Easy Steps

1. Submit your document/package through the eRecording Portal.
 - Select the correct style for each document submitted.
 - Verify the package is submitted as a Tiff file (recommended scan settings: 300 DPI, Black and White, and 0 Degrees.)
2. The County Clerk's Office will review and accept filings during regular business hours.
3. Pay for your package in the pending payments section of eRecording. We are currently only accepting major credit cards and Escrow account payment
4. Once payment is approved, documents will be automatically recorded and assigned an instrument number.

Credit Card Convenience Fees	
Credit	2.19% of total amount
Debit	\$2.95 of total amount

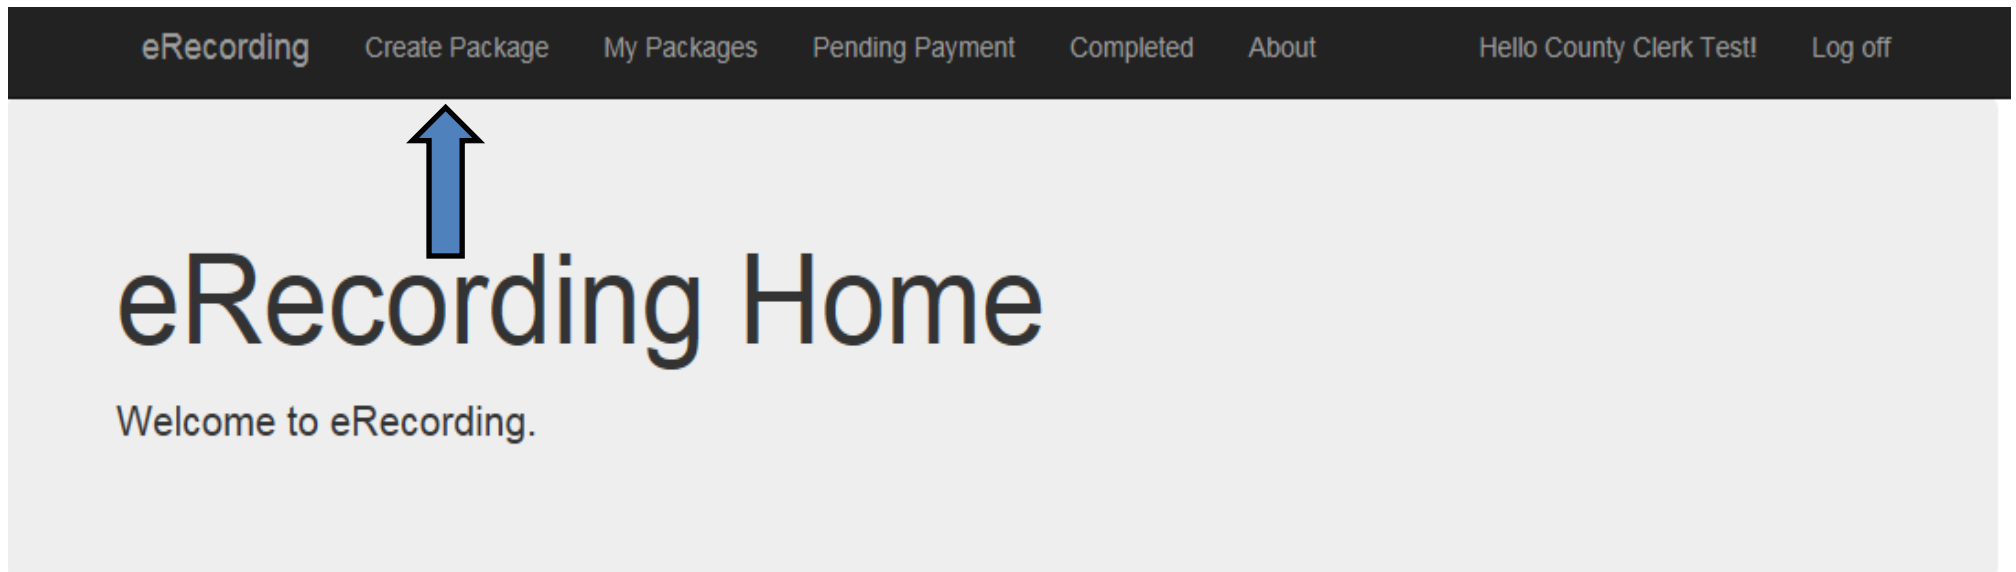

To secure, preserve and generate public and vital records, upholding the highest standards of integrity as public servants, maximizing the use of technology and e-government services, while providing the utmost accurate, professional and efficient service to our community.

Submitting Your Documents

1. Log onto <https://apps.epcountytx.gov/eRecording> once you have received your username and password.
2. Click on the **Create Package** link at the top to begin creating your document package for review.

Submitting Your Documents (cont.)

3. You will be directed to the **New Package** screen where you will upload and submit TIFF imaged documents. Do not save documents using special characters (Ex: , . / ? ! ' - &).

 - Recommended scan settings: 300 DPI, Black and White, and 0 Degrees.

A screenshot of the 'New Package' screen in the eRecording system. The top navigation bar is dark grey with links: eRecording, Create Package, My Packages, Pending Payment, Completed, About, Hello County Clerk Test!, and Log off. The main heading is 'New Package' with the instruction 'Click Browse and Select Documents to Begin'. Below this is a note: 'NOTE: Only files with a tiff extension can be uploaded'. A large blue button with a folder icon and the text 'Browse ...' is prominent. A blue arrow points from the 'Create New Package' button below to the 'Browse ...' button. At the bottom left is a 'Back to List' link.

Payments

All documents are immediately recorded UPON payment once they have been reviewed and accepted by the County Clerk's Office.

- Payments for all electronically recorded documents will be processed through the County's credit card vendor. (MSB)
- eRecording accepts all major credit cards.
- We are also accepting payments using Escrow accounts. To set up and Escrow account please contact the County Clerks Office for more details.
- At this time, checks and cash payments are not available.
- Credit card convenience fees will apply to all transactions as follows.
 - \$2.95 for debit
 - 2.91% for credit

Why eRecording?

If you are an authorized filer pursuant to Local Government Code Section 195.003(a), you can save money with eRecording

- Save on paper and toner by submitting documents electronically.
- Save a trip to the courthouse and submit from the comfort of your own office.
- Submit up to 10 packets and pay for them in one single transaction.

FAQ

- Will there be any extra costs associated with eRecording?
 - Aside from recording fees and any convenience fees associated with credit card payments, there are no additional fees.
- Once a package is rejected can it be accepted afterwards?
 - A package cannot be amended after being rejected. A new package will have to be created.
- If a mistake is made after my package has been approved but before payment, can it still be recalled?
 - Yes, a package can be recalled any time *before* payment is made.
- Where can I check the status of my submitted documents?
 - Please visit the MY PACKAGES section of your eRecording account. Please be proactive in checking status and paying for packages that have been approved by our office.
