File No. **2020-CPR00738**

Notice of Application To Probate Copy Of Lost Will Or Codicil in the Estate of Dolores Legaretta Diaz

You are notified that an application has been filed in this Decedent's estate to probate a written will or codicil even though the applicant cannot produce the original will. The application filed in this estate seeks either to probate a copy of a lost will or codicil or to probate a lost will (all referred to below as "lost will").

When an original will cannot be produced, the law presumes that the testator (the person who wrote the will) revoked the will before the testator's death. The Court will not grant the application in this case unless the applicant offers sufficient evidence to rebut that presumption and proves to the Court that the will was not revoked, even though only a copy has been filed.

If no will is admitted to probate, Decedent's property will pass to Decedent's heirs. If a lost codicil to a valid original will is not admitted to probate, Decedent's property will pass to the devisees (beneficiaries) named in the valid will. Therefore, your rights to inherit property may be affected by the probate of the lost will either (1) as an heir of the Decedent, or (2) as someone who is named as a devisee in the lost will, or (3) as a devisee in a valid will when there is a lost codicil to that will.

If you want to object to probate of the lost will, you must file a written objection with the El Paso County Clerk. The Clerk's citation, which is attached to this notice, indicates the date by which you should file a written objection. Note that the citation does not indicate a specific hearing date.

If you sign an affidavit waiving citation, you are indicating to the Court that you do not object to the probate of the lost will.

You should consult an attorney if you have any questions about your rights in the Probate matter.
