County Shuts Down a Quarter Mile of Rojas for Repairs

All eastbound lanes of Rojas Drive between Bill Burnett Dr. and Chapel Hill Rd. will be closed for possibly two months while maintenance crews repair the roadway. Westbound lanes will remain open through this area. At approximately, 5:30 p.m., June 26th, a shifting of concrete pavement was reported. At 6:00 p.m., County maintenance crews closed that section of the roadway. Please use extra caution around these areas and add extra time to your commute for this detour.

About El Paso County Public Works: El Paso County Public works provides a systematic approach to the care and maintenance of El Paso County's infrastructure, road system, buildings, and parks as well as provides service and support to townships and municipalities in the county while maintaining employee and public safety as a priority without sacrificing quality, and fiscal responsibility.

For more information on services, please visit <http://www.epcounty.com/publicworks/default.htm>.
