MOTION FOR DEFERRED ADJUDICATION OF GUILT

The Defendant in the above-styled and numbered cause hereby moves the Court, under the provision of C.C.P, Article 42.12, Section 5(a), after the Defendant’s entering plea of guilty to the offense charged in the information and the Court’s hearing of the evidence and finding that it substantiates guilt, to place the Defendant on community supervision on reasonable terms and conditions as the Court may require and for a period as the Court may prescribe, not to exceed two years.

The Defendant accordingly grants the Court the Defendant’s consent to enter such motion under terms and conditions and states that such processing of the case is in the best interest of society. The Defendant also understands that, in the event that the community supervision is revoked, the Court can enter a judgment of guilt and assess any punishment provided by law for the offense to which the Defendant has pleaded guilty.
