2. If the arrested person requests court-appointed counsel at magistration, the arrested person will be interviewed by a CJC Officer. If possible, this interview will take place before release on bond. If the defendant is released before an indigence affidavit is completed, instructions will be given upon release from the jail to complete the affidavit at 500 E. San Antonio, Lower Level, El Paso, Texas 79901 at the Criminal Justice Coordination Office. The office may be reached at (915)546-2093 or at CJCSserviceofficer@epcounty.com.
 3. A CJC Officer shall interview each arrested person who requests appointment of counsel, and the arrested person will provide, under oath, the necessary information, including supporting documentation (if not in custody) concerning the person's financial resources. They shall input this information onto an affidavit (*See Forms: El Paso District and County Court Application for Court Appointed Attorney*) for the arrested person. The indigence affidavit shall be transmitted to the Council of Judges (COJ) Office or the Indigent Defense Coordinator as soon as possible in order for the COJ Office to be able to appoint an attorney within 24 hours from the time a request for court appointed counsel is made. The financial affidavit shall be transmitted to the jail magistrate for consideration in the setting of the bond along with the bail factors enumerated in CCP Art. 17.15.
 4. A defendant is considered indigent if any of the following conditions or factors are present:
 - a. The defendant's net household income does not exceed 100% of the federal HHS poverty guidelines as revised annually by the United States Department Of Health and Human Services and published in the Federal Register, AND the defendant does not have liquid assets greater than \$2500;
 - b. The defendant is currently serving a sentence in a correctional institution, is currently residing in a public mental health facility, or is subject to a proceeding in which admission or commitment

to such a mental facility is sought, or currently incarcerated out of county for El Paso County criminal charges; or

- c. At the time of the application, the defendant, spouse, or children residing with the defendant are eligible to receive any of the following: Food stamps (SNAP), Medicaid, Temporary Assistance for Needy Families, Supplemental Security Income (SSI), or public housing.
5. In determining whether a defendant is indigent, even though he/she does not qualify under D (1), (2), the court or court's designee may consider the defendant's income, source of income, assets, liquid assets, property owned, outstanding obligations, necessary expenses, the number and ages of dependents, and spousal income that is available to the defendant. If this analysis of net household income results in an amount less than the amount stated in the poverty guidelines for the applicable household size, the defendant will be considered indigent. The court or court's designee may not consider whether the defendant has posted or is capable of posting bail, except to the extent that it reflects the defendant's financial circumstances as measured by the considerations listed in this subsection. CCP Art. 26.04 (m).
6. The procedures and standards for determining a defendant's indigence shall apply to each defendant in the county equally, regardless of whether the defendant is in custody or has been released on bail. The procedures and standards for determining whether a defendant is indigent shall apply to misdemeanors and felonies. CCP Art. 26.04(l).
7. A defendant who requests a determination of indigency and appointment of counsel shall:
 - a. Complete, under oath, a questionnaire concerning his financial resources; (*See Forms Application for Appointment of Counsel*)

CCP Art. 26.04(n).
8. A written or oral statement elicited under this article or evidence derived from the statement may not be used for any purpose, except to determine the defendant's indigent status or to impeach the direct testimony of the defendant. The defendant may be prosecuted under Texas Penal Code, Chapter 37. CCP Art. 26.04 (q).
9. A request by the appointing authority for additional information, documentation, and/or verification cannot delay appointment of counsel beyond the timelines specified in the Code of Criminal Procedure and this Indigent Defense Plan.
10. A court may not threaten to arrest or incarcerate a person solely because the person requests the assistance of counsel. CCP Art. 26.04 (r).
11. A defendant that does not meet any of the standards above shall, nonetheless, be considered indigent if the accused is unable to retain private counsel without substantial hardship to the accused or the defendant's dependents. In considering if obtaining private counsel will create a substantial hardship, the magistrate or judge authority shall take into account; (1) the nature of the criminal charge(s); (2) anticipated complexity of the defense; (3) the estimated cost of obtaining competent private legal

representation for the matter(s) charged; (4) the amount needed for the support of the accused and the defendant's dependents; (5) defendant's income; (6) source of income; (7) assets and property owned; (8) outstanding obligations; (9) unusual, excessive or extraordinary medical expenses; (10) necessary expenses; (11) age or physical infirmity of household members; (11) the number and ages of dependents; and (12) spousal income that is available to the accused.

12. After the 15.17 hearing, if the arrested person has informed the magistrate that he does not want to request court-appointed counsel, this will be reflected on the Magistrate Warning Form. If at any time after the arrested person is given his magistrate warnings, he decides that he would like to be interviewed after declining court-appointed counsel, he will be referred to a CJC Officer for an interview. If at any time after the Magistrate administers the 15.17 warnings, the arrested person decides that he does not want to be interviewed for court-appointed counsel after making the request with the magistrate, he will be referred to a CJC Officer to sign a form reflecting a waiver. (*See Forms- Waiver of Counsel*).
13. An unrepresented non-indigent felony defendant remaining in custody for 14 days shall have his status changed to indigent and an attorney shall be appointed by the COJ. An unrepresented non indigent misdemeanor defendant remaining in custody for 7 days shall have his status changed to indigent and an attorney shall be appointed by the COJ.
14. A defendant who is determined by the court to be indigent is presumed to remain indigent for the remainder of the proceedings in the case unless a material change in the defendant's financial circumstances occurs. If there is a material change in financial circumstances after a determination of indigence or non-indigence is made, the defendant, the defendant's counsel, or the attorney representing the state may move for reconsideration of the determination. CCP Art. 26.04 (p).
15. The presumption can be rebutted based on evidence of a material change in the accused's financial circumstances, as a result of which the accused does not meet any of the standards for indigence contained in these rules or, additional information regarding the accused's financial circumstances that show that the accused does not meet any of the standards of indigence contained in these rules.
16. If an accused previously determined to be indigent is subsequently determined not to be indigent, the attorney shall be compensated according to the fee schedule for hours reasonably expended on the case.
17. If the court determines that a defendant has financial resources that enable him to offset in part or in whole the costs of the legal services provided, including any expenses and costs, the court shall order the defendant to pay, if convicted, as court costs the amount that it finds the defendant is able to pay. The finding shall include additional evidence prior to imposition of sentence that justifies a finding that the defendant can repay in part or in whole the costs of the legal services provided. An order supporting such finding shall be entered. CCP Art. 26.05(g).
18. Each court in which the case is pending shall conduct a hearing, after due notice, on all reevaluations of indigency and/or material change of financial circumstances according to the law so as not to interfere with an established attorney-client relationship.

The judges may, in their discretion, remove an attorney from one or more lists, while continuing to approve the attorney for other lists.
 - b. The attorney must provide a written description of all the measures taken by the attorney to correct the problem that led to the removal from the appointment list. If an attorney was suspended or sanctioned due to noncompliance with CLE hours, the attorney will be placed back on the appointment lists once proof of CLE is provided to the Council of Judges.
5. An attorney who is court-appointed to represent a defendant charged with capital murder in which the death penalty is sought will be temporarily inactivated on the felony and misdemeanor appointment list starting 30 days before the beginning of voir dire and lasting for the duration of the case.
6. The trial courts shall keep a list of attorneys who do not appear for a hearing. This list will be taken into consideration should an attorney's qualifications be under review by the judges. Failure to appear at the initial hearing may be grounds for appointing new counsel on an individual case.
7. An attorney may request a temporary removal from the public appointment lists from the local administrative judges due to an excessive caseload, schedule, or illness. If a defendant wishes to request counsel prior to the initial appearance, the forms required to request counsel may be obtained at the Texas Indigent Defense Commission's website at <http://tidc.tamu.edu/public.net/> or from the Pre Trial Services Department, 500 E. Appointment Authority

1. If a misdemeanor case or felony case is UNFILED, the appointing authority is: Council of Judges Office, County Court Administration, the trial court or the El Paso County Jail Magistrate Court.
2. If the case has been FILED in a trial court, the appointing authority is the Council of Judges Office, County Court Administration or the trial court.
 - a. Appointments on motions to revoke probation, and motions to adjudicate guilt will be made from a rotational list of qualified attorneys in the same manner as any other misdemeanor or felony case, depending on the classification of the offense.
 - b. At any time a defendant may appear before the trial judge or a jail magistrate and request a court-appointed attorney, and the trial judge or jail magistrate has the discretion to appoint an attorney to represent the defendant if the defendant is deemed to be indigent. The attorney must be qualified to take the level of offense charged and may be chosen from the next five names on the public appointment lists in the order in which the attorney's name appears on the list, or a request can be made for the system to make an automatic appointment. The public appointment lists are comprised of private attorneys who are approved by the District Court Judges and/or the County Court Judges and the El Paso Public Defender's Office. The judge shall make a finding of good cause on the record or in Odyssey if appointing an attorney out of order, and may appoint any qualified, willing attorney regardless of whether the attorney's name is among the next five names on the appropriate list.
 - c. Before withdrawing as counsel for the defendant after trial or the entry of a plea of guilty, the appointed trial attorney shall advise the defendant of the defendant's right to file a motion for new trial and a notice of appeal. If the defendant wishes to pursue an appeal, the appointed trial attorney must assist the defendant in requesting the prompt appointment of replacement counsel or, if replacement counsel is not appointed promptly, file a timely notice of appeal.
 - d. Once these steps have been completed, the court-appointed trial attorney's representation of the defendant is concluded. No motion to withdraw is necessary. The trial court may then appoint a qualified attorney from the appellate list. The trial court may appoint a lawyer from the next five names on the appropriate appellate list in the order in which the attorney's name appears on the list, or a request can be made for the system to make an automatic appointment. The judge shall make a finding of good cause on the record if appointing an attorney out of order, and may appoint any qualified, willing attorney regardless of whether the attorney's name is among the next five names on the appropriate list.

- e. If a defendant already has a court appointed attorney on a prior pending case, the same attorney will be appointed on any new cases to avoid the appointment of multiple attorneys for one defendant.

Defendants Appearing Without Counsel

1. If an indigent defendant who has refused appointed counsel in order to retain private counsel appears without counsel after having been given an opportunity to retain counsel, the court, after giving the defendant a reasonable opportunity to request appointment of counsel, or, if the defendant elects not to request appointment of counsel, after obtaining a waiver of the right to counsel pursuant to CCP Art. 1.051(f) and (g) may proceed with the matter on 10 days' notice to the defendant of a dispositive setting. CCP Art. 1.051(e).
2. The court may not direct or encourage the defendant to communicate with the attorney representing the state until the court advises the defendant of the right to counsel and the procedure for requesting appointed counsel, and the defendant has been given a reasonable opportunity to request appointed counsel. CCP Art. 1.051(f-2).
3. If the defendant has requested appointed counsel, the court may not direct or encourage the defendant to communicate with the attorney representing the state unless the appointing authority has denied the request and, after the denial, the defendant:
 - a. Has been given a reasonable opportunity to retain and has failed to retain appointed counsel; or
 - b. Waives or has waived the opportunity to retain private counsel. CCP Art.1.051(f- 2).
4. The attorney representing the state may not:
 - a. Initiate or encourage an attempt to obtain from the defendant a waiver of the right to counsel; or
 - b. Communicate with a defendant who has requested the appointment of counsel, unless the appointing authority has denied the request, and after the denial, the defendant has been given a reasonable opportunity to retain counsel, or waives or has waived the opportunity to retain private counsel. CCP Art. 1.051 (f- 1).
5. Waiver of the Right to Counsel. A defendant may voluntarily and intelligently waive the right to counsel, but any waiver obtained in violation of CCP Art. 1.051(f-1) or (f-2) is presumed invalid.
6. If a defendant wishes to waive the right to counsel for purposes of entering a guilty plea or proceeding to trial, the court shall advise the defendant of the nature of the charges against the defendant and, if the defendant is proceeding to trial, the dangers and disadvantages of self-representation. If the court determines that the waiver is voluntarily and intelligently made, the court shall have the defendant sign a waiver of counsel form and an Order Allowing Self-Representation by Defendant. See Forms (Waiver of Counsel/Order Allowing Self-Representation)
7. A defendant may withdraw a waiver of the right to counsel at any time but is not entitled to repeat a proceeding previously held or waived solely on the grounds of the subsequent appointment or retention of counsel. If the defendant withdraws a waiver, the trial court, in its discretion, may provide the appointed counsel 10 days to prepare. CCP Art. 1.051(h).

8. The court, or the courts' designee may, without unnecessary delay, appoint new counsel to represent an indigent defendant for whom counsel is appointed if:
 - a. The defendant is subsequently charged in the case with an offense different from the offense with which the defendant was initially charged; and
 - b. Good cause to appoint new counsel is stated on the record as required by CCP Art. 26.04(j) (2) [CCP Art. 1.051(k)].
9. A trial court may appoint any available, qualified attorney to advise a witness when the law requires representation.

SECTION 5.

ATTORNEY SELECTION PROCESS

1. Whenever a court, or the courts' designee authorized to appoint counsel for indigent defendants in the county determines, for the purpose of a criminal proceeding, that a defendant charged with or appealing a conviction of a felony or a misdemeanor punishable by confinement is indigent, or if the interests of justice require representation of a defendant in a proceeding, the court or the courts' designee shall appoint one or more practicing attorneys to represent the defendant in accordance with the El Paso County Indigent Defense Plan. CCP Art. 26.04(c).
2. In a county with a public defender's office, the court or the courts' designee shall give priority in appointing that office to represent the defendant in the criminal proceeding, including a proceeding in a capital murder case. However, the court is not required to appoint the public defender's office if:
 - a. The court makes a finding of good cause for appointing other counsel, provided that in a capital murder case the court makes a finding of good cause on the record for appointing that counsel;
 - b. The appointment would be contrary to the office's written plan under Article 26.044 or would violate the maximum allowable caseloads established for the office;
 - c. The office is prohibited from accepting the appointment under Article 26.044(j); or
 - d. A managed assigned counsel program also exists in the county and an attorney will be appointed under that program. El Paso County public appointment lists are comprised of private attorneys as well as attorneys employed by the El Paso County Public Defender's Office.
 - e. The defendant has an attorney already appointed on a prior pending or concluded matter. The same attorney will be appointed to the new matter, unless the attorney is not on the list for the type of offense involved in the current case.

3. Misdemeanor and Non-Capital Felony Cases
 - a. The Council of Judges Office, or the trial court, will identify which of the appointment lists, discussed in “Minimum Attorney Standards”, is most appropriate based on the accusations against the defendant and will appoint the attorney whose name is first on the list, unless the court makes a finding of good cause on the record for appointing an attorney out of order.
 - b. Good cause may include:
 - i. The defendant requesting counsel does not understand English, in which case the judge will appoint the lawyer whose name appears next in order and speaks the clients’ language, if one is available;
 - ii. The defendant has an attorney already appointed on a prior pending or concluded matter. The same attorney will be appointed to the new matter, unless the attorney is not on the list for the type of offense involved in the current case; or
 - iii. Other good cause exists for varying from the list.
4. Once appointed, an attorney’s name will be moved to the bottom of the appointment list. An attorney who is not appointed in the order in which the attorney’s name appears on the list shall remain next in order on the list.
5. Capital Felony Cases
 - a. The Regional Public Defender for Capital Cases shall be appointed to all capital felony cases unless good cause exists to appoint private counsel. If a co-defendant requests appointment of counsel and is determined to be indigent, the Appointing Authority shall appoint counsel pursuant to the standards and procedures stated in this Section.
 - b. If private counsel is appointed to a co-defendant rather than the Regional Public Defender for Capital Cases, co-counsel will be appointed using the standards and procedures stated in this Section.
6. The Regional Public Defender for Capital Cases may refuse to accept appointment to a case if:
 - a. A conflict of interest exists;
 - b. The office has insufficient resources to provide adequate representation;
 - c. The office is incapable of providing representation in accordance with the rules of professional conduct;
 - d. Acceptance of the appointment would violate the maximum allowable caseloads established for the office; or
 - e. The office shows other good cause for refusing appointment.
7. The Council of Judges or the trial court shall immediately contact the attorneys appointed by phone, fax, e-mail, or in person, and notify the attorneys of the appointment and the last known location of the defendant.
8. Judicial Removal from Case. The judge presiding over a criminal case may remove appointed counsel upon entering a written order (*See Forms: El Paso County Removal of Attorney*) showing good cause for such removal, including, without limitation, the following:
 - a. Counsel’s failure to appear at a court hearing;
 - b. Counsel’s failure to make personal contact with defendant if he is incarcerated;
 - c. Counsel’s failure to make contact with defendant out on bond;

- d. Counsel's failure to comply with the requirements imposed upon counsel by this plan and the Fair Defense Act;
 - e. Current information about the defendant and the charges against the defendant indicate that another qualified attorney is more appropriate for the defendant under these rules;
 - f. Replacement of appointed counsel in a death penalty case is required under Article 26.052(e), Texas Code of Criminal Procedure;
 - g. The appointed counsel shows good cause for being removed, such as illness, workload or scheduling difficulties;
 - h. The defendant requests an attorney, other than trial counsel, for appeal; or
 - i. The defendant shows good cause for removal of counsel, including counsel's persistent or prolonged failure to communicate with the defendant.
9. Appointment of Replacement Counsel. Whenever appointed counsel is removed under this section, replacement counsel shall immediately be selected and appointed in accordance with the procedures described in this plan.
10. An attorney who is not appointed in the order in which the attorney's name appears on the list shall remain next in order on the list.
11. A public appointment list from which an attorney is appointed shall contain the names of qualified attorneys, each of whom:
- a. Applies to be included on the list;
 - b. Meets the objective qualifications specified by the judges in the El Paso County Indigent Defense Plan;
 - c. Meets any applicable qualifications specified by the Texas Indigent Defense Commission; and
 - d. Is approved by a majority of the District Court Judges or the County Court Judges who established the appointment list. CCP Art. 26.04(d).
12. An attorney appointed shall:
- a. Make every reasonable effort to personally contact the defendant, if incarcerated, not later than the end of the first working day after the date on which the attorney is appointed and to interview the defendant as soon as practicable after the attorney is appointed. A majority of the judges of the county courts and the district courts who preside over criminal cases may remove from consideration for appointment an attorney who intentionally or repeatedly violates this section.
 - b. Make every reasonable effort to contact the defendant, if out on bond, not later than the end of the first working day after the date on which the attorney is appointed and to interview the defendant as soon as practicable after the attorney is appointed. Reasonable effort includes letter, fax, phone, videoconference, or personal visit. A majority of the judges of the county courts and the district courts who preside over criminal cases may remove from consideration for appointment an attorney who intentionally or repeatedly violates this section.

- c. Represent the defendant until charges are dismissed, the defendant is acquitted, appeals are exhausted, or the attorney is permitted to or ordered by the court to withdraw as counsel for the defendant after a finding of good cause is entered on the record.
 - d. With respect to a defendant not represented by other counsel, before withdrawing as counsel for the defendant after a trial or the entry of a plea of guilty, the court-appointed attorney shall:
 1. Advise the defendant of the defendant's right to file a motion for new trial and a notice of appeal;
 2. If the defendant wishes to pursue an appeal, assist the defendant in requesting the prompt appointment of replacement counsel; and
 3. If replacement counsel is not appointed promptly and the defendant wishes to pursue an appeal, file a timely notice of appeal.
 - e. Not later than October 15 of each year and on a form prescribed by the Texas Indigent Defense Commission, submit to the county information for the preceding fiscal year that describes the percentage of the attorney's practice time that was dedicated to work based on appointments accepted in the county under CCP Article 26.04 and Title 3, Family Code. The report must be submitted through the online form to the Texas Indigent Defense Commission. CCP Art. 26.04(j).
13. Once appointed, except for the El Paso County Public Defender's Office, an attorney's name will be moved to the bottom of the appointment list. An attorney who is not appointed in the order in which the attorney's name appears on the list shall remain next in order on the list.
14. The El Paso County Public Defender's Office will receive no more than 50% of cases for each category of offense. The District Court and County Court Judges may, from time to time, adjust the percentage of cases received by the El Paso County Public Defender's Office, but the percentage shall not be more than 50% of all the cases. The Public Defender's Office may refuse to accept an appointment to a case if:
- a. A conflict of interest exists;
 - b. The office has insufficient resources to provide adequate representation;
 - c. The office is incapable of providing representation in accordance with the rules of professional conduct;
 - d. It would violate the maximum allowed caseload limits set by the office; or
 - e. The office shows other good cause for refusing appointment.
15. An attorney appointed to a case that does not appear or notify the court by 9:30 a.m. the following morning may be removed from the case and go back to the bottom of the list. Excessive tardiness or failures to appear may result in removal from the case and the public appointment list if it impedes the administration of justice.

SECTION 6.

FEE AND EXPENSE PAYMENT PROCESS

1. Court appointed counsel, other than an attorney with the Public Defender's Office, appointed to represent a defendant in a criminal proceeding, including a habeas corpus hearing, shall be paid a reasonable attorney's fee for performing the following services:
 - a. Time spent in court making an appearance on behalf of the defendant as evidenced by a docket entry, time spent in trial, and time spent in a proceeding in which sworn oral testimony is elicited;
 - b. Reasonable and necessary time spent out of court on the case, supported by any documentation that the court requires;
 - c. Preparation of an appellate brief and preparation and presentation of oral argument to the Eighth Court of Appeals Court or the Court of Criminal Appeals;
 - d. Preparation of a motion for rehearing; and
 - e. Preparation of a petition for discretionary review to the Court of Criminal Appeals and if necessary, preparation of a brief in the Court of Criminal Appeals and preparation and presentation of oral argument in the Court of Criminal Appeals.
2. Court-appointed counsel shall be compensated for all reasonable and appropriate services rendered in representing the accused. Compensation shall be reasonable for time and effort expended and will be in accordance with a fee schedule adopted and approved by a majority of the District Courts, Criminal District Courts, County Courts at Law, and County Criminal Courts at Law who preside over criminal cases in El Paso County. A copy of the schedule shall be sent to the El Paso County Commissioners Court.
3. The El Paso County fee schedule does not include an opt-out provision that allows a judge to approve a different rate on a case-by-case basis.
4. An attorney shall submit only one misdemeanor voucher if the defendant has multiple misdemeanor cases. An attorney shall submit only one felony voucher if the defendant has multiple felony cases. If related cases are tried, pleaded, or appealed together, only one voucher may be submitted. A lawyer seeking reimbursement for the same work done for each case must specify the detailed and distinct work done by cause. A lawyer will include any amount that has already been requested or paid on a defendant's other cases on every voucher submitted.
5. The fee schedule takes into consideration reasonable and necessary overhead costs. Overhead costs that are included in the fee schedule and may not be additionally claimed on a voucher include, but are not limited to: facsimile expenses, supplies, equipment, rent, repairs, utilities, insurance, advertising, taxes, Texas e-filing fees, or CLE. *See Forms: El Paso Criminal District and County Court Schedule of Fees for the Compensation of Court Appointed Counsel and Addendum to the El Paso Criminal District and County Court Schedule of Fees for the Compensation of Court Appointed Counsel.*

6. The following items will not be paid: receiving the court appointment, opening or closing a case file on an appointed case, filling out the voucher, delivering dismissal to the defendant, faxing documents, receiving settings or faxes, requesting PORTAL access; printing documents from PORTAL, calendaring hearings, setting up appointments, reminding defendants of upcoming court hearings, and e-filing documents.
7. Legal research up to three hours in a misdemeanor case and six hours in a felony will be paid. Any legal research hours in excess of the three or six hours will only be paid if an ex parte memorandum addressing the issue and the need for further legal research is attached to the attorney voucher. This ex parte memorandum may be sealed upon the motion of the attorney and order signed by the court.
8. The following are the only kinds of expenses which will be reimbursed if a proper request for reimbursement is made; (a) travel expenses for the attorney, witnesses, experts, and/or investigators, only if prior court approval has been obtained; (b) a court reporter's fee for transcripts only if prior court approval has been obtained; (c) photographs and media submitted as exhibits at trial; (d) Legal research up to three hours in a misdemeanor case and six hours in a felony will be paid. Any legal research hours in excess of the three or six hours will only be paid if an ex parte memorandum addressing the issue and the need for further legal research is attached to the attorney voucher. This ex parte memorandum may be sealed upon the motion of the attorney and order signed by the court; and (e) other expenses required to adequately defend the case only if prior court approval has been obtained.
9. An appointed attorney shall submit a fee voucher to the trial court for services rendered. The trial judge presiding over the proceedings shall review the request for compensation and either approve or disapprove the requested amount of payment. If the trial Judge disapproves the requested amount of payment, the judge shall make written findings stating the amount of payment that the judge approves and each reason for approving an amount different from the requested amount. An attorney whose request for payment is disapproved or is not otherwise acted on by the 60th day after the date the request for payment is submitted may appeal the disapproval or failure to act by filing a motion with the presiding judge of the administrative judicial region. On the filing of a motion, the presiding judge of the administrative judicial region shall review the disapproval of payment or failure to act and determine the appropriate amount of payment. In reviewing the disapproval or failure to act, the presiding judge of the administrative judicial region may conduct a hearing. Not later than the 45th day after the date an application for payment of a fee is submitted under this article, the Commissioners Court shall pay to the appointed counsel the amount that is approved by the presiding judge of the administrative judicial region and that is in accordance with the fee schedule for that county. CCP Art. 26.05(c). **Vouchers older than 90 days require an explanation for the untimeliness prior to approval.**
10. Each fee schedule adopted shall state reasonable fixed maximum hourly rates, taking into consideration reasonable and necessary overhead costs and the availability of qualified attorneys willing to accept the stated rates, and shall provide a form for the appointed counsel to itemize the types of services

performed. No payment shall be made under this article until the form for itemizing the services performed is submitted to the judge presiding over the proceedings.

11. Appointed counsel in a non-capital case, appointed to represent a defendant shall be reimbursed for reasonable and necessary expenses, including expenses for investigation and for mental health and other experts. However, prior court approval should be obtained before expenses for investigation and for mental health and other experts are incurred.
12. Investigators must attach the court order to the payment voucher. Prior to submitting a voucher, an expert/investigator must verify to the court that a report or work product has been tendered to current defense counsel. The defense attorney must verify investigative services were provided by signing the investigator payment voucher. If the payment voucher exceeds the amount approved by the trial court, another motion for the overage must be tendered to the court and the overage will not be paid unless the overage payment voucher is accompanied by another court order. The County Auditor shall not pay an investigator payment voucher unless it is approved by the defense attorney and the court order is attached to voucher.
 - a. The request for expenses must state the type of investigation to be conducted or the type of expert to be retained, specific facts that suggest the investigation will result in admissible evidence or that the services of an expert are reasonably necessary to assist in the preparation of a potential defense, and an itemized list of anticipated expenses for each investigation and/or each expert.
 - b. The court shall grant the request for advance payment of expenses in whole or in part if the request is reasonable. If the court denies in whole or in part the request for expenses, the court shall state the reasons for the denial in writing, attach the denial to the confidential request, and submit the request and denial as a sealed exhibit to the record. CCP art. 26.05(d)
 - c. A majority of the judges of the district and county courts trying criminal cases in the county may remove an investigator from consideration for appointment if, after a hearing, it is shown that the investigator submitted a claim for services not performed by the investigator.

The El Paso County Auditor will not pay any attorney or investigator who is not on the approved list at the time of the appointment.

Court appointed attorneys, investigators, and all appointed experts have a responsibility to turn in their voucher within 45 days after disposition of the case. Disposition of the criminal case includes a plea of guilty, a trial verdict, a dismissal, or the defendant not appearing for a court hearing. Interim vouchers may be paid by the trial court at its discretion.
