ABOUT IRMAA

Income-Related Monthly Adjustment Amount

You'll get a Medicare Income-Related Monthly Adjustment Amount (IRMAA) notice if you have Medicare Part B or Part D and the U.S. Social Security Administration (SSA) determines that an IRMAA applies to you. This notice includes information about the determination by Social Security and your appeal rights.

When will you get it?

It can come at any time.

Who sends it?

Social Security will contact you if you have to pay IRMAA, based on your income. The amount you pay can change each year, and it should be paid directly to the SSA.

What should you do if you get this notice?

Keep the notice. If you disagree with the notice, you can contact SSA to appeal.

A Medicare plan for you

Let's start with what matters most.

A history of care

We've provided access to Medicare coverage since 1966.

Providers you trust

Our nationwide provider coverage helps connect you with the doctors and hospitals you count on for care.

Your prescriptions

Our plans cover many commonly prescribed drugs. And you can get most of them delivered to you with the CVS Caremark® Mail Service Pharmacy.

Original Medicare plus so much more

Our plans offer all
the benefits of
Original Medicare,
**plus other
programs and
services it
doesn't offer.**

The Resources For Living® program

We can connect you to a wide range of services right in your area — from personal care, housekeeping and maintenance to caregiver relief and more.

24-Hour Nurse Line

Need a quick answer to a health question or have a concern? You can talk to one of our registered nurses anytime, day or night.* Of course, in an emergency, dial **911** or go to the closest emergency room.

Nurse care management

These programs can help you manage chronic conditions and understand complex medical issues. If you qualify, we'll assign you a nurse care manager to work with you and your doctors to support your care plan.

Virtual care

Telehealth: Meet virtually with a primary care physician (PCP) or an urgent care center provider by phone, video or mobile app. Check with your PCP or urgent care center to see if they offer telehealth services.

Teladoc®: You can access a national network of U.S. board-certified doctors by phone, video or mobile app. Get quality health care anywhere and anytime.

MDLIVE®: Talk by video to a board-certified psychiatrist or a licensed therapist — anytime, including nights and weekends.

Whether you choose telehealth, Teladoc or MDLIVE, you're covered for many non-emergency medical needs, such as cold and flu symptoms, allergies, skin problems and prescription refills.

*While only your doctor can diagnose, prescribe or give medical advice, our nurses can provide information on more than 5,000 topics. Contact your doctor first with any questions regarding your health care needs. Health information programs provide general health information and are not a substitute for diagnosis or treatment by a physician or other health care professional.

Medicare basics

Understand how your plan works

About your plan

Aetna MedicareSM Plan (PPO)

A PPO is a preferred provider organization plan. It gives you more flexibility when choosing a provider.

You can see any provider, in or out of network. The provider just has to be:

- Licensed and eligible to receive payment under Medicare
- Willing to bill and accept payment from Aetna[®]

But you'll generally pay less for your care when you see a provider in our network.

With a PPO plan, you'll have the option to choose a primary care physician (PCP). It's not required, but when we know who your doctor is, we can better support your care.

Go to **AetnaRetireePlans.com**.
to find a network provider.

For more information about Aetna plans, go to www.AetnaRetireePlans.com or call Member Services toll-free at 1-888-267-2637 (TTY: 711). Hours are 8 a.m. to 9 p.m. EST, Monday through Friday.

Not all PPO Plans are available in all areas

The provider network may change at any time. You will receive notice when necessary.

In case of emergency, you should call 911 or the local emergency hotline. Or you should go directly to an emergency care facility.

The complete list of services can be found in the Evidence of Coverage (EOC). You can request a copy of the EOC by contacting Member Services at 1-888-267-2637 (TTY: 711). Hours are 8 a.m. to 9 p.m. EST, Monday through Friday.

The following is a partial list of what isn't covered or limits to coverage under this plan:

- Services that are not medically necessary unless the service is covered by Original Medicare or otherwise noted in your Evidence of Coverage
- Plastic or cosmetic surgery unless it is covered by Original Medicare
- Custodial care
- Experimental procedures or treatments that Original Medicare doesn't cover
- Outpatient prescription drugs unless covered under Original Medicare Part B

You may pay more for out-of-network services. Prior approval from Aetna is required for some network services. For services from a non-network provider, prior approval from Aetna is recommended. Providers must be licensed and eligible to receive payment under the federal Medicare program and willing to accept the plan.

Out-of-network/non-contracted providers are under no obligation to treat Aetna members, except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Aetna will pay any non contracted provider (that is eligible for Medicare payment and is willing to accept the Aetna Medicare Plan) the same as they would receive under Original Medicare for Medicare covered services under the plan.

Pharmacy Disclaimers

Aetna's retiree pharmacy coverage is an enhanced Part D Employer Group Waiver Plan that is

offered as a single integrated product. The enhanced Part D plan consists of two components: basic Medicare Part D benefits and supplemental benefits. Basic Medicare Part D benefits are offered by Aetna based on our contract with CMS. We receive monthly payments from CMS to pay for basic Part D benefits. Supplemental benefits are non-Medicare benefits that provide enhanced coverage beyond basic Part D. Supplemental benefits are paid for by plan sponsors or members and may include benefits for non-Part D drugs. Aetna reports claim information to CMS according to the source of applicable payment (Medicare Part D, plan sponsor or member).

The formulary and/or pharmacy network may change at any time. You will receive notice when necessary.

You must use network pharmacies to receive plan benefits except in limited, non-routine circumstances as defined in the EOC. In these situations, you are limited to a 30 day supply.

Pharmacy clinical programs such as precertification, step therapy and quantity limits may apply to your prescription drug coverage.

Specialty pharmacies fill high-cost specialty drugs that require special handling. Although specialty pharmacies may deliver covered medicines through the mail, they are not considered "mail-order pharmacies." Therefore, most specialty drugs are not available at the mail-order cost share.

The typical number of business days after the mail order pharmacy receives an order to receive your shipment is up to 10 days. Enrollees have the option to sign up for automated mail order delivery. If your mail order drugs do not arrive within the estimated time frame, please contact us toll-free at 1-866-241-0357, 24 hours a day, 7 days a week. TTY users call 711.

The Medicare Coverage Gap Discount Program provides manufacturer discounts on brand name drugs. The amount you pay and the amount discounted by the manufacturer count toward your out-of-pocket costs as if you had paid them and moves you through the coverage gap.

Coinsurance-based cost-sharing is applied against the overall cost of the drug, prior to the application of any discounts or benefits.

There are three general rules about drugs that Medicare drug plans will not cover under Part D. This plan cannot:

- Cover a drug that would be covered under Medicare Part A or Part B.
- Cover a drug purchased outside the United States and its territories.
- Generally cover drugs prescribed for "off label" use, (any use of the drug other than indicated on a drug's label as approved by the Food and Drug Administration) unless supported by

criteria included in certain reference books like the American Hospital Formulary Service Drug Information, the DRUGDEX Information System and the USPDI or its successor.

Additionally, by law, the following categories of drugs are not normally covered by a Medicare prescription drug plan unless we offer enhanced drug coverage for which additional premium may be charged. These drugs are not considered Part D drugs and may be referred to as “exclusions” or “non-Part D drugs”. These drugs include:

- Drugs used for the treatment of weight loss, weight gain or anorexia
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Outpatient drugs that the manufacturer seeks to require that associated tests or monitoring services be purchased exclusively from the manufacturer as a condition of sale
- Drugs used to promote fertility
- Drugs used to relieve the symptoms of cough and colds
- Non-prescription drugs, also called over-the-counter (OTC) drugs
- Drugs when used for the treatment of sexual or erectile dysfunction

TIP

Check Medicare's Star Ratings

Star Ratings can help you learn more about the Medicare plan you're offered. They can give you insight into the parts of a health plan you care most about.

Here's how Star Ratings work

The Centers for Medicare & Medicaid Services (CMS) uses information from member satisfaction surveys, plans and health care providers to rate Medicare plans and prescription drug plans (Part D).

Medicare plans are rated on how well they perform in these categories:

- ✓ Staying healthy (screenings, tests and vaccines)
- ✓ Managing chronic (long-term) conditions
- ✓ Plan responsiveness and care
- ✓ Member complaints, problems getting services and choosing to leave the plan
- ✓ Health plan customer service

Each plan receives a rating from one star (lowest) to five stars (highest). Star Ratings are calculated each year and may change from one year to the next.

How to find your plan's Star Rating

- 1 Find the state you live in within the chart on the following page.
- 2 Note the contract number next to the name of your state.
- 3 Flip to the page in this section with the same contract number in the upper-left corner.
- 4 Review the medical, drug and overall rating for your plan.

If you have an Aetna Medicare plan **without** drug coverage, review just the health plan rating. You can ignore the plan's drug rating.

Important information about your enrollment in a Medicare plan

As an Aetna Medicare member, you agree to the following:

Aetna Medicare is a Medicare plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B and continue to pay my Part B premium. I can only be in one Medicare plan at a time and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan. It is my responsibility to inform Aetna of any prescription drug coverage that I have or may get in the future.

I understand that if I don't have Medicare prescription drug coverage or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future.

By completing this enrollment application, I agree to the following: Aetna Medicare is a Medicare Advantage plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B. I can only be in one Medicare plan at a time and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year if an enrollment period is available or (Example: Annual Enrollment Period from October 15 – December 7), or under certain special circumstances.

The Aetna Medicare plan serves a specific service area. If I move out of the area that Aetna Medicare plan serves, I need to notify the plan and my former employer/union/trust so I can disenroll and find a new plan in my new area. Once I'm a member of the Aetna Medicare plan, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from Aetna when I get it to know which rules I must follow to get coverage with this Medicare plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border.

HMO plans: I understand that beginning on the date Aetna Medicare plan coverage begins, I must get all my health care from the Aetna Medicare Advantage plan, except for emergency or urgently needed services or out of area dialysis services. Services authorized by the Aetna Medicare plan and other services contained in my Aetna Medicare plan Evidence of Coverage document (also known as the member contract or subscriber agreement) will be covered. Without authorization, **NEITHER MEDICARE NOR THE AETNA MEDICARE PLAN WILL PAY FOR THE SERVICES.**

PPO plans: I understand that beginning on the date Aetna Medicare Advantage plan coverage begins, using services in network can cost less than using services out of network, except for emergency or urgently needed services or out-of-area dialysis services. I understand I can go to doctors, specialists or hospitals in or out of network. I understand that providers must be licensed and eligible to receive payment under the federal Medicare program and agree to accept the PPO plan. I also understand I may have to pay more for services I receive out of network. Services authorized by the Aetna Medicare Advantage plan and other services contained in my Aetna Medicare plan Evidence of Coverage document (also known as the member contract or subscriber agreement) will be covered. Without authorization when required by the plan, **NEITHER MEDICARE NOR THE AETNA MEDICARE PLAN WILL PAY FOR THE SERVICES.**

By completing this enrollment application, I agree to the following: Aetna Medicare is a Medicare Advantage plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B. I can only be in one Medicare plan at a time and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future. I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year if an enrollment period is available or (Example: Annual Enrollment Period from October 15 – December 7), or under certain special circumstances.

The Aetna Medicare plan serves a specific service area. If I move out of the area that Aetna Medicare plan serves, I need to notify the plan and my former employer/union/trust so I can disenroll and find a new plan in my new area. Once I'm a member of the Aetna Medicare plan, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage document from Aetna when I get it to know which rules I must follow to get coverage with this Medicare plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border.

HMO plans: I understand that beginning on the date Aetna Medicare plan coverage begins, I must get all my health care from the Aetna Medicare Advantage plan, except for emergency or urgently needed services or out of area dialysis services. Services authorized by the Aetna Medicare plan and other services contained in my Aetna Medicare plan Evidence of Coverage document (also known as the member contract or subscriber agreement) will be covered. Without authorization, **NEITHER MEDICARE NOR THE AETNA MEDICARE PLAN WILL PAY FOR THE SERVICES.**

PPO plans: I understand that beginning on the date Aetna Medicare Advantage plan coverage begins, using services in network can cost less than using services out of network, except for emergency or urgently needed services or out-of-area dialysis services. I understand I can go to doctors, specialists or hospitals in or out of network. I understand that providers must be licensed and eligible to receive payment under the federal Medicare program and agree to accept the PPO plan. I also understand I may have to pay more for services I receive out of network. Services authorized by the Aetna Medicare Advantage plan and other services contained in my Aetna Medicare plan Evidence of Coverage document (also known as the member contract or subscriber agreement) will be covered. Without authorization when required by the plan, **NEITHER MEDICARE NOR THE AETNA MEDICARE PLAN WILL PAY FOR THE SERVICES.**

I understand if I'm getting assistance from a sales agent, broker, or other individual employed by or contracted with Aetna's Medicare Advantage plans, he/she may be paid based on my enrollment in the Aetna Medicare Advantage plan.
