ADDENDUM 2

To: All Interested Proposers
From: Linda Gonzalez, Inventory Bid Technician
Date: September 26, 2007
Subject: Bid # 07-118, Exhaust Systems for the Sheriff's Department

The Purchasing Department received questions relating to the above referenced Proposal.

1. I'm not sure were to include the labor fees. Should I include it in the total on page 2 or roll it into the columns provided on page 4 and 5.

Roll it over on columns on page 4 & 5.

2. Under cat converter column, cars needs to be inspected for model number of prior catalytic converter. Fees vary with out inspection. How would you recommend I handle this.

Inspection is done in the MVSS section, if its not under the warranty we send it out to Magic Muffler for replacement.
