ADDENDUM 2

To: All Interested Proposers

From: Linda Mena, Inventory Bid Technician

Date: January 6, 2012

Subject: Bid # 11–056, Uniformed Officers Badges and Patches for the County of El Paso

Please Note:

- The Bid opening has been extended to Wednesday, January 18, 2012 at 2:00 p.m.

The Purchasing Department received questions relating to the above referenced Bid; the following is the response to the questions:

1. Do you have estimated quantities for the badges for a one year period?
   **Answer:** Estimated quantity 150

2. The bid states that the vendor must submit one sample of Sheriff and Deputy Badge. Is this before or after the bid is awarded? We already have the back dies for this badge but do not have the ribbon dies; it usually takes around 4–6 weeks to cut dies. We could send a badge that is very similar to this but not exactly the same for this bid.
   **Answer:** Vendor may send a paper illustration along with the similar badge. We need to see if the badge is made correctly and the die is the correct color because some of these badges were newly designed from a new vendor.
3. Is there a way to find out the previous let pricing for these items?
   **Answer:** Refer to Attachment I (Previous Bid tabulation which included badges and patches).

4. In reviewing the bid docs, I cannot find the QTY for each item. I apologize if I’ve overlooked it. Please send QTY for each item or advise page number in bid documents.
   **Answer:** The Quantity varies throughout the year. Vendors must use **EXHIBIT A** pricing sheet provided in pages 8 and 9 and provide unit cost per item.
