Subject: County Purchasing New Vendor/Bid System & Online Vendor Registration

The Purchasing Department has implemented its new bid processing vendor notification/registration system. The new system will allow vendors to register and maintain their vendor file in real time without the intervention of the Purchasing Department. Vendors will be given a choice of receiving hard copy bid notifications, or electronic notifications to the vendors designated email and/or cellular telephone text number. The cameras need to be vandal resistant and weather resistant. They will be mounted inside housing units outside and inside the facility. The recording needs to provide between 30 to 90 days of capability and the digital recordings need to be easily retrievable for placement on disc for law enforcement purposes.

Vendors shall propose a system that would tie into the County's current system. However if they cannot, or the cost would impact the budget, the County is asking for an optional price for a stand-alone system.

SCOPE OF WORK

1. The Jail Annex currently operates 9 DVR systems that are not networked and use coaxial cable to see video feeds. In the central monitoring area, there are 13 monitors of various brands and sizes. The vision for this project is to unify all the camera systems, however, if this is not technologically possible, and the new system cannot bridge to the old system, the new system should be designed with the possibility of future growth with the intent to phase out the old system as budgets are made available.
2. The selected VENDOR will be considered the primary contractor and will assume total responsibility to provide all materials and services needed to make the system fully operational by the agreed upon date.
3. The VENDOR shall have a competent supervisor on the premises at all times during performance of the work and until work is completed and accepted. The Supervisor shall be approved by the Sheriff's Office prior to commencement of work. The Supervisor shall have the authority to act for the VENDOR.

11. VENDORS must demonstrate at least two prior successful installations within the last three years of IP surveillance camera systems over both LAN and WAN technologies with similar scope to this Project and include these details as part of the proposed submittal. Evidence must include the entity, supervisor contact information, length of project and project description. The County reserves the sole discretion to determine the validity of the submitted references.
12. References that are no longer in business cannot be used. Inability to contact the supplied reference will result in that reference being deemed non-responsive and will not satisfy the proposal requirements.
13. VENDORS receiving negative references may be eliminated from further consideration. The agreement shall be governed by and construed according to the laws of the State of Texas, without regard to the choice of law provisions of any jurisdiction. VENDORS should not submit contracts as part of their proposal.
16. Due to the nature of the facility, during and at the completion of the Project, the VENDOR shall restore to its former condition, all aspects of the project work site and on a daily basis, shall remove all waste and excess materials, rubbish debris, tools and equipment resulting from or used in the services identified in this document. All clean up, restoration, and removal noted above will be by the VENDOR and at no cost to the COUNTY. If the VENDOR fails in its duties under this paragraph, the County may upon notice to the VENDOR perform the necessary clean up and deduct the costs thereof from any amounts due or to become due to the VENDOR. It shall be the VENDOR's responsibility to remove trash from the areas it is working in and bring trash and debris to the dumpster.

17. Each VENDOR shall be required to submit with its RFP response a detailed implementation schedule outlining major milestones and associated length of time of each phase. All appropriate project details should be specified in the implementation schedule. Schedule should provide days of each phase, not dates of completion. Beginning of project will be determined by both the County and VENDOR. Implementation timeline should include tasks and length after date of project beginning.

**COUNTY OF EL PASO GUIDELINES AND CRITERIA
FOR
CONSIDERATION OF LOCATION
OF BIDDER'S PRINCIPAL PLACE OF BUSINESS
(LOCAL BUSINESS PREFERENCE POLICY)**

I. AUTHORIZATION

Section 271.905 of the Texas Local Government Code authorizes the County of El Paso to give consideration to the location of a bidder's principal place of business in awarding the bid ("Local Business Preference"). In order to do so, the County Commissioners Court must determine, in writing, that the local bidder offers the County the best combination of contract price and additional economic development opportunities for the County created by the contract award, including the employment of residents of the County and increased tax revenues to the County.

II. GENERAL PURPOSE AND INTENT

A. The purpose and intent of these Guidelines and Criteria is to set forth the parameters under which the County of El Paso may consider the location of a bidder's principal place of business in awarding the bid.

B. All applications for consideration will be considered on a case-by-case basis, and the decision to approve or deny consideration shall be at the discretion of the El Paso County Commissioners Court.

C. The County of El Paso reserves the right to reject all bids; award a contract to the lowest bidder; or to award the bidder whose principal place of business is in the local government if the governing body of the local government determines, in writing, that the local bidder offers the local government the best combination of contract price and additional economic development opportunities for the local government created by the contract award, including the employment of residents of the local government and increased tax revenues to the local government.

III. FACTORS THAT THE COUNTY MAY CONSIDER IN AWARDING A CONTRACT UNDER THE LOCAL PREFERENCE POLICY

A. The bids must be for any real property or personal property that is not affixed to real property.

B. The location of the bidder's principal place of business must be in the County, as evidenced by submission of the current and valid Franchise Tax Certificate and the Certificate of Account Status on file with the Texas Secretary of State, or other documents if applicable under the Texas Business Organizations Code.

C. The bidder's bid price must be within 3% of the lowest and best qualified bid.

D. The bidder must include in the bid a written application for the Local Business Preference providing objective information satisfactory to the Commissioners Court as to how the award of the bid will lead to additional economic development opportunities for the County created by the contract award, including (1) The employment of County residents, and (2) Increased tax

revenues to the local government. Such information shall be as appropriate to the type of bid, but may include, but is not limited to:

E. The bidder must not be tax-delinquent as to federal, state, or local taxes.

F. The bidder may not subcontract the award, or any part of the award.

G. The bidder must not be indebted to the County. "Debt" includes delinquent taxes, fines, fees, and delinquencies arising from written agreements with the County. (This provision will take effect immediately upon the action by Commissioners Court required under Texas Local Government Code section 262.0276).

H. In determining who is a responsible bidder, the commissioners court may take into consideration the safety record of the bidder, of the firm, corporation, partnership or institution represented by the bidder. (This provision will take effect immediately upon the action by Commissioners Court required under Texas Local Government Code section 262.0275).

I. All bidders, including owners, principals or officers if the bidder is a corporation or other legal entity, seeking Local Business Preference will be required to submit an affidavit of any and all political contributions to members of Commissioners Court for the previous 12 months.

J. A business in which a member of Commissioners Court has a substantial business interest as defined under Texas Local Government Code Chapter 171 is not eligible for consideration under the Local Business Preference Policy.

IV. APPLICATION

A. **Case By Case Basis.** If the Purchasing Agent and Procurement Review Panel determines that a proposed bid is appropriate for Local Business Preference, it will include in the bid the information required from the bidder. Only bids for real property or personal property that is not affixed to real property are eligible for the Local Business Preference.

B. **Written Application:** A bidder may request consideration for Local Business Preference by submitting the required information as part of the bid. There is no charge to submit the application.

C. **Contents of Application:** The application shall consist of a completed application form. The application must include objective, verifiable information from the bidder as to how the local bidder offers the County the best combination of contract price and additional economic development opportunities for the County created by the contract award, including the employment of County residents and increased tax revenues to the County. The application form may require such financial and other information, as the County deems appropriate for evaluating the financial capacity and other relevant factors of the applicant.

V. ADMINISTRATION

A. Annual Assessment: Each September, the Purchasing Agent shall separately account for all bids awarded pursuant to the Local Preference Policy and the County Auditor shall annually determine the total value of contracts awarded pursuant to the Local Preference Policy.
