Subject: BID #17-024, Black & White Laser Printers for the County of El Paso 2017

This addendum is issued to notify vendors of the following questions:

1. The bid states a HP M604. Is it only that model or can it be one comparable in another brand that provides more reliability?

Response: The County requires that the item you bid meet or exceed the spec we've listed.

2. Can an extension of time be granted for this bid?

Response: No extension will be granted.

3. Can we propose a substitute with the same specifications but a different manufacturer to the Printer requested?

Response: Yes. Substitutes will be accepted. The County requires is that the item you bid, meet or exceed the specifications.

4. I would like to know if you would consider a Canon printer that meets/exceeds the specifications of the HP M604dn. FYI, Canon has been manufacturing most all of HP's print engines and toner cartridges for the last 30 years.

Response: Yes. Substitutes will be accepted. The County requires is that the item you bid, meet or exceed the specifications.
