**WARNING:**

- All electrical outlets and switches are installed according to the National Electrical Code (NEC) and local codes.
- Plumbing fixtures and drains are installed according to the plumbing code and local codes.
- All materials are selected based on their durability and compatibility with the building's structural design and aesthetic requirements.

**NOTICE:**

- The construction schedule is subject to change based on the availability of materials and labor.
- The building is designed to meet the applicable building codes and regulations.

**REVISED FIRST FLOOR PLAN**

- The layout of the first floor has been updated to accommodate the changes in the room finish schedule.
- The walls have been re-designed to support the new office and conference room arrangements.

**WALL TYPES**

- Types of walls include partition walls, load-bearing walls, and structural walls.

---

**DIMENSIONS:**

- All dimensions are in feet and inches.
- All tolerances are ±1/4 inch.

**CONSTRUCTION NOTES:**

- All construction notes are subject to change based on the contractor's interpretation of the plans.
- The client must review all construction notes and provide written approval before the work is completed.

**ISSUED FOR CONSTRUCTION:**

- All plans and specifications are subject to change based on the client's approval.
- The client must review all plans and specifications and provide written approval before the work is completed.
