1. The questionnaire instructions state that all responses must be made within the designated cell(s) of the worksheet provided. Is it acceptable to attach additional response documents for responses that cannot fit into the limited cell format provided (for example, General Information Question #27 regarding subcontractors may require a response that is too long for the cell provided)?

Yes. Reference the Questionnaire Tab and Question number with the additional supplemental response

2. Please provide a census with zip codes.

An updated census file has been provided

3. Please provide a detailed utilization file for RX for the most recent 12 months

An updated Rx claims file has been and will be provided to Proposers who have returned a properly executed Use and Disclosure Agreement

4. Please provide detail on the top utilized IP and OP facilities and the utilization at each reporting on the billed charges vs allowed charges.

Please refer to additional reports provided.

5. Electronic copies of the proposal have been requested on flash drives. Is it acceptable to provide these copies on CD?

Yes, although flash drives are preferred.

6. Please verify in the questions the number of pre and post 65 retirees

Refer to the additional claims data and enrollment reports already provided (Exhibit 4).

7. In the Online Enrollment and Eligibility section, Pg. 12 of the RFP, it states that The County of El Paso uses Inroll to manage enrollment and eligibility. What format does Inroll use to transmit eligibility to vendors?

Inroll has several capabilities and flexibility in the frequency to transmit either change files or full files in industry standard HIPAA compliant record layouts.

8. Please confirm what type of programs you currently have in place (i.e. Disease Management, Maternity Management, Online Health Records, etc)?

Employees have access to an online portal for Health Risk Assessments and medical records. There are no structured Disease Management programs in place at this time.

9. Please indicate if any benefit plan changes were made in the last 24 months. If changes were made, please detail the benefit changes made along with the effective date of the change.

There have been no plan changes in the last 24 months to any of the plans offered, Medical, Dental, or EAP.

10. Do Retirees pay the entire premium?

Yes.

11. Please confirm if the current dental plan is Indemnity.

Yes. It is currently an indemnity plan.

12. Have there been any plan changes in the past 12 months? If so, please explain.

No.

13. Please confirm if the current dental plan is Indemnity.

Yes. It is currently an indemnity plan.

14. What is the current U&P percentile used?

90th Percentile

15. Please provide EAP utilization data for the last 3 years.

Refer to additional provided reports.

16. Please supply current EAP pricing.

\$1.55 PEPM

17. Please detail the current EAP plan, including the number of face-to-face sessions, on-site training hours, and on-site crisis response hours.

The EAP Agreement has been provided following this list of questions and answers.

18. For EAP, please advise which session model(s) to quote.

Please duplicate the current plans as closely as possible.

19. For EAP, please provide the number of on-site training hours we should include in our pricing.

EAP training requirements are described in the attached contract amendment and are provided on-site three to five times a year.

20. Please provide the total number of employees to quote for EAP as the census only includes medical enrollees.

In addition to medical enrollees and their dependents, the County provides EAP service to 429 Non Plan Participants and their dependants.

21. Please indicate the coordination method used with Medicare.

Standard COB rules as defined in the SPD apply.

22. Please break out the medical and Rx rates for the retiree population, if possible.

Please refer to the provided rate sheet for all employee groups. Medical and Rx rates are combined for all classes and are not broken out.

23. The SPDs on in the RFP don't show the triple tier benefits with UMC being tier 1. Do you have anything that shows that design?

The benefit summary grid in the SPD illustrates the two tiers of in-network hospital providers along with the benefits provided to non-network providers.

24. Member Satisfaction Survey: What has been the County's historical response rate for the last three complete plan years?

The County has conducted one Survey in the last three years and the response was less than 10%.

25. Claims Adjudication Turnaround: Please clarify how the daily penalty is \$7,500 per day yet the monthly maximum penalty is \$5,000. (Is there a typo?)

This is a typo. The daily penalty should read \$500 per day.

26. Bid bond: Is the cashier's check due upon filing our response refundable? Is there a specific format for the 5% bid bond? (This is Proposal Condition #10)

The Bid bond has been waived for this RFP.

27. Ad Hoc Report Requests: Can examples of previously requested information be made available? (This is in Technical Information #18)

Ad hoc reports, would be customized requests, such as a special report showing certain demographic criteria, or utilization specifics, i.e. member specific listings of members utilizing a certain provider for a certain service.

28. What type of reports do you consider "Standard Reports"?

Please see the sample current "standard reports" provided with this Addendum.

29. Which bank does the County use for its Benefit Plans? What is their dual signature policy? Will the TPA have view only access to their banking system to research lost checks? Please explain the current funding process.

The County's current depository bank is Inter National Bank.

All of the County's bank accounts require two signatures on all checks.

The TPA will not have access to the banking system. The TPA will forward the information to the treasury division of the El Paso County Auditor's Office and the treasury division will do the research.

Every pay period the corresponding employer and employees contributions are transferred to the benefits plan bank account.

30. Financial Information: Will points be deducted if a bidder is not rated? Will the Hospital District's rating be acceptable?

The county will consider the overall financial stability of the proposer in the absence of financial ratings. Please provide audited financial statements.

31. Please clarify the following question under COBRA. What happens to fees with increases/decreases in the population? What fees are you referring to?

COBRA administrative fees.

32. Subrogation: Does the County Attorney handle their own subrogation or will they want the TPA to handle it?

The County Attorney's Office is currently involved in subrogation efforts but will consider allowing the TPA to handle subrogation.

33. General Tab #27: Do we only list material sub-contractors?

Please identify any subcontractors utilized in the administration of the plans.

34. Could we see a sample of the form for "Parking Conversion or Reimbursement Plan form to the administrator"?

The form follows these Questions and Answers

35. Election changes – Could you describe how changes are communicated and what formats are being used by Inroll?

Inroll has several capabilities and flexibility in the frequency to transmit either change files or full files in industry standard HIPAA compliant record layouts.

36. For Wellness Lunch & Learn, we are assuming that these would be delivered at the courthouse. Would there be space for these to occur there? Do you have an expectation that we would deliver these in other county locations? If so, do they have space at these other locations? Our thought is that we would offer at minimum a monthly lunch & learn at the courthouse but if we need to change our way of thinking on this, please let me know.

The County Courthouse is the primary location for Lunch & Learn events. However, occasionally we would like to provide events at the El Paso County Sheriff's Department and the Juvenile Probation Department both of which have available space.

37. In terms of a gym for the associates - does the county have space that they could allocate to us in order for us to provide Wellness classes (e.g., Zumba, Tai-Chi, etc...) there?

Yes, the County will provide the location for gym and related activities.

38. Does the RFP include an occupational health component that we need to address?

No

39. Can you provide a breakdown of where the County associates are physically located?

The majority of our members are located in the Downtown area surrounding the Courthouse at 500 East San Antonio, Sheriff's Department 3850 Justice Road, and the Juvenile Probation Department 6400 Delta Drive.

40. Would the County of El Paso be able to sign a non-disclosure agreement with our Pharmacy Benefit Manager in order to receive the MAC information requested?

The County is a political subdivision of the State of Texas and is governed by the Texas Public Information Act, Chapter 552, Texas Government Code (the "Act"). If your response to the RFP contains material that you consider Confidential Information, you must indicate prominently on your response which sections are considered confidential. In the event the County receives a request under the Public Information Act for information you have deemed Confidential Information, it shall promptly notify you pursuant to the requirements of the Act, which places on you the burden of establishing the confidentiality of information pursuant to the Act, see section 552.305. It is expressly agreed that the County may request a determination from the Attorney General of the State of Texas in regard to the application of the Public Information Act to the requested information and whether the information is to be made available to the public. It is further agreed that County, its officers and employees shall have the right to rely on the determinations of the Texas Attorney General, and that County, its officers and employees shall have no liability to Vendor for disclosure to the public in reliance

on a decision by the Attorney General. Nothing in this agreement shall require Vendor or County to violate the terms of the Public Information Act. You may request that the County's consultant sign a non-disclosure agreement, but as an agent of the County the Consultant is also governed by this Code.

41. What do you mean by "Privacy Procedures Plan"?

HIPAA Privacy Procedures

42. Can we adopt the current definitions on your benefit plan?

Yes

43. Will there be an extension to the submission deadline?

Yes, the deadline has been extended to June 5, 2013. Please review the formal Purchasing amendment for location and time details.

44. Can the County provide us with the total medical cost (billed and paid amounts) for inpatient and outpatient procedures at in network hospitals for dependent care?

All claims data to be used for preparing responses has already been provided in Exhibit 4, and through the process described for the claims repricing process. It is important to return the claims repricing file as instructed along with the network indicator for each line item provider identified.

45. Can the County grant us access to three years of historical medical claims data incurred by the County's medical plan in order to ask a stop loss carrier(s) to provide us a quote for stop loss coverage based on the data provided?

All claims data to be used for preparing responses has already been provided in Exhibit 4, and through the process described for the claims repricing process. It is important to return the claims repricing file as instructed along with the network indicator for each line item provider identified.

46. What is the current fee structure for your EAP? Is it per-employee-per-month (PEPM)?

\$1.55 PEPM

47. What is current cost/price for your EAP?

\$1.55 PEPM

48. How many employees are to be covered?

All employees are covered.

49. What, if any, elements or factors would you like to improve?

Proposers should duplicate the existing programs and may offer alternative programs or services for consideration.

50. When is the last time you competitively procured this program?

The last procurement was conducted in 2008 with a January 1, 2009 effective date.

51. How many face-to-face counseling sessions, per issue, does your current EAP provide? Would the County like to consider 3 & 6 face-to-face sessions, per issue, per participant, per year?

Our current agreement requires the Contractor to provide, or arrange for the provision of, telephonic and face-to-face mental health counseling to Employees and/or Dependants. Coverage includes up to eight (8) sessions per Employees and/or Dependants, per problem, per year. There is no limit to the number of problems a covered person may present each year. An EAP network provider may provide more than eight (8) sessions per problem per year, if the EAP network Provider determines it is necessary. Assessments for homebound Employee or Dependants are available through the EAP.

52. Are you interested in considering a variety of innovative options, in addition to the specifications you have provided, including Work-Life and Wellness services?

Proposers should duplicate the existing programs and may offer alternative programs or services for consideration.

53. How many onsite training hours per year are bundled, currently, and how many onsite training hours does the County want for its new program?

The County would like to provide three to five on-site group training sessions per year. Other training requirements are described in the contract agreement.

54. What are current charges for onsite training hours beyond what is bundled?

There are no separate charges for training.

55. What is your current utilization rate?

Please refer to the provided reports accompanying this Addendum.

56. May we please have a copy of your last annual EAP utilization report?

Please refer to the provided reports accompanying this Addendum.

57. Can you please provide the number of US DOT, SAP referrals for positive drug/alcohol tests the County made in the last 12 months?

This information is not available at this time.

58. Regarding the 125 Pre-Tax Plan Administration and the 132 Pre-Tax Parking Administration: Can you please provide us with the current number of eligible participants and also the current number of participants in the plans?

Plan	Eligible	Participating
Section 125 Pre Tax	2,800	2,200
Section 132 Parking	2,800	1,319

59. How many employees are eligible for the Employee Assistance Program? This should be the number on which pricing will be based.

All employees are eligible: All employees are eligible for EAP. The County currently has approximately 2,800 employees.

60. Please provide an employee zip code census in excel via email so we may run a GeoAccess network coverage report.

A census file with zip codes has been made available with this Addendum.

61. How long has Choice Consulting been the County's EAP vendor?

Five Years

62. What is the current pricing for the EAP? Please provide a rate history throughout the contract term.

\$1.55 PEPM

63. What is the counseling visit model being requested for the EAP i.e. 3, 4, 6 visit model?

Please refer to the attached contract which follows these Questions and Answers.

64. Please provide copies of 2012 and 2011 utilization reports.

Please refer to the provided reports accompanying this Addendum.

65. Please clarify the total number of hours of training/orientation/wellness lunch & learns/health fair participation included in the EAP contract.

The County would like to provide three to five on-site group training sessions per year which would include supervisor training or lunch and learns. The County has two to three health fairs per year which includes an information table for the EAP provider. The County also has

new employee orientation every two weeks where information on EAP is distributed but the EAP provider is only required to attend periodically.

66. Are DOT Substance Abuse Professional (SAP) Evaluations included in the County's current contract? Are these provided on a fee-for-service basis or included within the PEPM? Is there a limit per year?

Please refer to the attached contract which follows these Questions and Answers. There are no additional fees to the \$1.55 PEPM agreement.

67. How many hours of training were utilized in 2012? 2011?

This information is not available at this time.

68. How many face-to-face sessions were provided in 2012? 2011?

Please refer to the provided reports accompanying this Addendum.

69. How many DOT SAP Evaluations were provided in 2012? 2011?

This information is not available at this time.

70. Where in the proposal should our rate schedule be included?

There is no requirement on where the rate schedule needs to be inserted into your proposal. Please just properly indicate where the rate schedule is provided in the Table of Contents.

71. Please confirm that if responding only to the EAP component, vendors need to complete only the General Information, Financial Information, References, Implementation Information, and Employee Assistance Program questionnaire.

Correct. And return all required forms.

72. Page 35 in the Local Business Preference Policy, states that the bidder may not subcontract the award, or any part of the award and that doing so will be grounds for termination. Most EAPs utilize subcontractors for the provision of after-hours call center operations and work/life services such as legal and financial. Will this disqualify us from consideration or does this clause only pertain to those vendors seeking local business preference? If it pertains to all vendors, please explain your reasoning behind this provision.

Local preference doesn't apply here, it is only good for the purchase of goods and tangible items, not services.

73. Please clarify if the performance bond requirement pertains to non-construction contracts.

The performance bond requirement has been waived for this solicitation.

74. Please confirm that Medical Plan Performance Guarantees are not applicable to those vendors bidding only on EAP.

Correct.

75. Does the eligibility data requirement pertain to the Employee Assistance Program? Most EAPs utilize an assumed eligibility standard and do not require eligibility data. Does the current EAP receive this information?

Yes

76. Instead of submitting electronic copies on flash drives, may we submit them on CDs?

Flash drives are preferred, however CD's are permissible.

77. Is the County open to considering a carve-out approach for Medicare-eligible retirees, in which there would be a defined contribution provided in the form of an HRA (Health Reimbursement Arrangement)?

The County can consider this approach, however the proposer needs to provide specific rate and benefit information for consideration. If 2014 rate and benefit information is not available, the n2013 information may be used as an illustration.

78. If so, what is the approximate number of retirees and eligible dependents?

Demographic and clam data has been provided in Exhibit 4

79. Can you please confirm the bidding prerequisites and target dates?

May 15 – Deadline for questions

May 22 – Use & Disclosure deadline

May 31 – Due date for proposals

Aside from these are there any others?

Confirmed. The due date has been extended to June 5, 2013. Refer to the formal Addendum for details regarding the location and time for delivery.

80. Census – please provide a current census document with all eligible employees along with their home zip codes included.

An updated census file has been provided with this Addendum

81. Large claims information – dollar amount and diagnosis, for claims over \$50k for both the current and prior plan periods

All claims data to be used for preparing responses has already been provided in Exhibit 4, and through the process described for the claims repricing process. It is important to return the claims repricing file as instructed along with the network indicator for each line item provider identified.

Yes

93. Please describe the geographic distribution of the County's workforce (i.e., how many physical sites do the majority of employees work at).

The majority of our members are located in the Downtown area surrounding the Courthouse at 500 East San Antonio, Sheriff's Department 3850 Justice Road, and the Juvenile Probation Department 6400 Delta Drive.

94. Are you currently providing biometric screenings to all employees? If so, are these conducted on an individual basis in the clinic or via group screening events, and what is your participation rate?

Not at this time.

95. Do you provide incentives for employees who complete biometric screenings?

Not at this time

96. Please describe your current wellness program.

Targeted disease state mailings Lunch and Learns Fit to Grow Nutrition Program (9 sessions each program)

97. What is the participation level for the current wellness programs?

120 employees have participated in the Fit to Grow Program. Other participation figures are not available.

98. Do you plan to integrate your wellness program into the county's current employee health clinic? Please describe, along with your goals of doing so.

Based upon the capabilities of the awarded vendors and final analysis, the capabilities of the current clinic provider, integration with the clinic could be considered, however no definite plans are in effect at this time.

99. Are you currently providing outreach to high risk individuals? If so, please describe the current method?

Not at this time, other than through case management.

100. What are your wellness participation expectations (e.g., do you have a particular goal in mind for screening and HRA participation)?

No goals have been established at this time.

101. What is your annual budget for this project?

No budget has been established. The resources of the plan are adequate at this time.

102. Does the County currently provide any incentives for its wellness program, or plan to provide incentives for its wellness program beginning in 2014? If so, please describe. What is your annual budget for the incentive program?

There is no established program or incentives at this time.

103. Has this initiative been approved by the board/committee?

The Risk Pool Board has been briefed and trained on various wellness program and concepts. All decisions are subject to approval by the County Commissioners Court, regardless of the recommendation from any party working under the direction of the Court.

104. There is information on pages 14-16 of the RFP related to performance guarantees. Do these performance guarantees pertain to all services requested? If not, is the County interested in other performance guarantees related to wellness services?

The reference guarantees only apply to the medical plan administration. The County will entertain performance guarantees related to wellness services.

105. On page 21 of the RFP, there is reference to a bid bond required for public works construction contracts. Will all vendors regardless of their services be required to submit a bid bond if proposals are in excess of \$100,000?

The Bid Bond requirements for this solicitation have been waived.

106. Please provide monthly medical subscriber data by plan for the experience period provided.

In the original provided Exhibit 4 monthly subscriber information is provided by plan and by division with medical and Rx expense combined. Medical and Rx expense by division, month and plan is not readily available.

107. Please provide monthly subscriber and member data for the Rx plan for the experience periods provided.

In the original provided Exhibit 4 monthly subscriber information is provided by plan and by division with medical and Rx expense combined. Medical and Rx expense by division, month and plan is not readily available.

108. Please provide rates and attachment factors by plan for 2012 and 2013 (Individual stop loss, administration fees, etc.).

Administrative fees are not being released at this time. Proposers are encouraged to submit their best offers.

The County no longer purchases aggregate stop loss coverage. The history of Individual Specific stop loss premiums and terms is:

Policy Year	Lifetime Max	Annual Max	Deductible	Coverage	Incurred & Paid Basis	Composite Premium
2013	Unlimited	\$5,000,000	\$225,000	Medical and Rx	24/12	\$32.02
2012	Unlimited	\$5,000,000	\$225,000	Medical and Rx	24/12	\$29.51

109. Are the plans grandfathered or non-grandfathered?

The County of El Paso also prefers to maintain the grandfathered status of its non-CDHP benefit options. All Benefit options contain a tiered hospital PPO network where the University Medical Center receives the highest benefit reimbursement compared to the PPO network providers as described in its SPD and benefit summaries. The County will consider all offers presented and reserves the right to select and administrator or program that best meets their needs.

110. Please confirm pharmacy benefits. Is there a possibility that the Rx will be carved out?

The pharmacy benefits are summarized in the SPD provided. The Rx program is currently carved out. Based upon proposals received, the County may or may not continue to carve out the Rx program.

111. Can you confirm the intent of the attached Business Associates Agreement? Should we outline deviations from the proposed language, or is it just provided as a sample for our consideration?

The Use and Disclosure Agreement is provided to network providers for execution in order to be able to receive the medical and pharmacy claim repricing data files which would be returned with line item results as provided in the instructions that will accompany the file.

112. What is the current administration fee?

There is no separate dental administrative fee.

113. Can you confirm the inforce deductible?

The plan does not have any deductible at this time.

- 114. Can you confirm how the out-of-network claims are paid?
 - a) R&C level?
 - b) Does the TPA utilize their own dental network, or do they use another carrier's network? Is so, which carrier's network do they use?

The dental plan is an indemnity plan and R&C is determined at the 90th percentile.

- 1, #8 Even though I completed 7 visits would like to continue exploring "new"self. Mike is awesome!!
- 2. I only have positive things to say about my experience. My process of grief wouldn't have been as half of tolerable if I wouldn't of had this help. Thank you so much.

ADDENDUM #3 EMPLOYEE ASSISTANCE PROGRAM

Client wishes to provide access to an employee assistance program ("EAP") for all of its employees and for employee dependants. Contractor agrees to provide, or arrange for the provision of, EAP covered Services to County Employees and/or their Dependants in accordance with the terms of this agreement.

DEFINITIONS: All terms not defined herein shall be as defined in the Agreement, as amended, or in Client's 2012 Summary Plan Description

Employee: Any individual employed by the County of El Paso in either a fulltime, part time, temporary, or scasonal capacity and their Dependents.

Dependent: An Employee's lawfully married or common law spouse, or an Employee's child who is less than 26 years of age.

Employee Assistance Program (EAP): A comprehensive program that helps Employees resolve personal problems that may impact their work performance, conduct, health, and well-being.

EAP Network Provider: Behavioral health provider who is enrolled in Contractor's network of behavioral health care providers

Plan: The County Health Plan

Plan Participant: An Employee who is enrolled in the El Paso County Health Plan.

I. Participation in the Employee Assistance Program

- A. <u>Voluntary Contact</u> Employees and/or their dependents may call EAP directly without having to notify the chain of command for help with a variety of issues including but not limited to:
 - 1. Marriage/family;
 - 2. Child/adolescent;
 - Mood and stress:
 - 4. Drug/alcohol:
 - 5. Anger management:
 - 6. Budget/financial resources;
 - 7. Critical incidents and critical incident follow-up;
 - 8. Workplace concerns;
 - 9. Referrals to Legal resources:
 - 10. Illness or loss of a family member:
 - 11. Emotional worries; or
 - Referrals to childcare resources.
- B. <u>Supervisor Referral</u>—A supervisor who becomes aware that an employee has problems adversely affecting job performance or behavior related to the job may initiate a Supervisor Referral to EAP.

II. Confidentiality

- A. EAP Network Providers shall not disclose to any third party, any medical record information regarding Employee or Dependents except where permitted or required by law, or where such disclosure is expressly approved by Employee, or as applicable, Dependent, in writing.
- B. Contractor shall comply with all federal and state laws and regulations, and all bylaws, rules, regulations and policies of Client regarding confidentiality of such information.
- C. An EAP counselor may release the following information to the County for employees who were required to contact EAP by a supervisor or manager:
 - 1. Whether or not the referred employee scheduled an appointment as required;
 - 2. Whether or not ongoing treatment is necessary for the referred employee;
 - 3. Whether or not the referred employee is compliant with EAP recommendations; or
 - Whether or not the referred employee is fit for duty.

III. Employee Assistance Program Scope of Service

- A. <u>Eligibility Determination</u> EAP is available to Employees and their Dependents. Client will be sole determiner of eligibility for EAP services. Client will provide Contractor an updated list of eligible employees at least on a quarterly basis.
- B. <u>Counseling Sessions</u> Contractor will provide, or arrange for the provision of, telephonic and face-to-face mental health counseling to Employees and/or Dependants. Coverage includes up to eight (8) sessions per Employees and/or Dependants, per problem, per year. There is no limit to the number of problems a covered person may present each year. An EAP Network Provider may provide more than eight (8) sessions per problem per year, if the EAP Network Provider determines it is necessary. Assessments for homebound Employees or Dependents are available through the EAP.
- C. <u>Financial Responsibility of Employee</u>. The Employee shall be personally responsible for charges for services provided to an Employee or Dependent that do not fall within the scope of EAP services; for services provided by a non-EAP Network Provider; or for outside referrals by an EAP Network Provider.
- D. <u>Employee Communication</u> Contractor will provide, or arrange for the provision of, initial Employee written communication, subject to the approval of the Client, informing Employees of the services to be provided through the Employee Assistance Program (EAP).
- E. <u>Catastrophic Events</u> During and/or after a catastrophic event, Client may request EAP services at various locations within the County.
- F. <u>Educational Materials</u> Contractor will provide, or arrange for the provision of, marketing or educational materials with pamphlets in English and Spanish depicting services, location and other details of services through the EAP.
- G. Website Contractor will provide, or arrange for the provision of, a website available to Employees twenty-four (24) hours a day, seven (7) days a week, except for regularly scheduled and emergency maintenance performance on the website and exigencies not within the reasonable control of the provider.
- H. <u>Licensing/Certification</u> Contractor will ensure that all principals, employees, and agents performing EAP services have all licenses, and/or certifications required to perform such services. EAP Network Providers providing services under this Agreement shall at all times be qualified, professionally competent, and duly licensed in Texas. EAP Network Providers providing services under this Agreement shall, at all times during the term of this Agreement, satisfy all State and federal certifications, regulations, or licensure requirements and render services under this Agreement in compliance with all applicable statutes, regulations, standards, rules, and directives of State, federal, and other applicable governmental and regulatory bodies. Contractor agrees to give immediate written notice to Client in the case of suspension or revocation, or initiation of any proceeding that could result in any change in the status, suspension or revocation, of such licensure, certification, or registration.
- Individual Reports Contractor will provide, or arrange for the provision of, individual
 reports for employee referrals within 24 hours of each counseling session. The individual
 report will include at a minimum employee name, referral date, employee contact date,
 appointment dates, case status, and fit for duty.
- J. <u>Statistical Reports</u> Contractor will provide, or arrange for the provision of, monthly statistical reports to include demographics, number of referrals and type, number of visits and issue, survey results.

IV. Employee Assistance Program Training

- A. Services provided to Client by EAP will include periodic employee orientation training and educational seminars, on a schedule to be agreed to by the parties.
- B. Supervisors will receive training in:
 - 1. Program services;
 - 2. Supervisor's role and responsibilities; and
 - 3. Identification of employee behaviors that indicate the existence of employee concerns, problems and/or issues that could impact employee job performance.

V. Compensation

- A. Client will pay no additional charge for EAP services for Plan Participants.
- B. EAP services for Employees and dependents not covered by the County Health Plan will be at a rate as provided in Addendum 1 to this Third Amendment.
