

# Warrant List and Pending Roundup

**NOTE: This list was accurate up to the date it was compiled. There may be individuals who are still on this list or have not been added to the list because actions took place since the date the list was compiled. If you believe that your name appears on this list incorrectly, please contact the appropriate Justice of the Peace Office.**

**All individuals listed here are considered innocent until proven guilty in a court of law.**

The El Paso County Sheriff's Office, in cooperation with El Paso County Justices of the Peace and El Paso County Constables, are working to reduce the large number of outstanding Class C and traffic warrants in El Paso County. This List contains the names of those individuals who currently have outstanding warrants with the Justice of the Peace Courts. These warrants are typically the result of a citation from a Sheriff's, Deputy Constable, or Texas DPS Trooper. These are NOT the same as El Paso PD Warrants, for those contact (915)46-2901.

On March 2014, a Warrant Roundup will begin by members of the El Paso County Sheriff's Office and El Paso County Constables. If you are on this list and wish to pay your fine(s) and avoid being arrested at your home or place of business, contact the Justice of the Peace in the precinct where you received the citation.
