Veterans Resource Directory

El Paso County Veteran Services Office

EL PASO COUNTY COMMISSIONERS COURT

To our Veterans and their families,

This resource directory was developed as a service for Veterans and their families seeking a range of resources, including emergency and general health, food, housing, educational, employment, and financial services.

As a close-knit community with strong ties to the military, we strive to provide assistance to our Veterans in need. The men and women who have served to protect our way of life, deserve a strong commitment from this community to meet their needs.

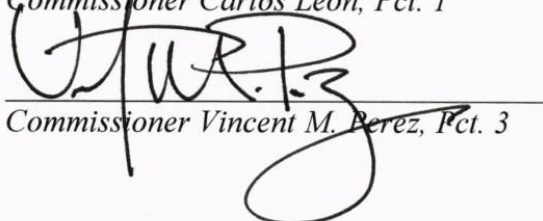

This handbook was prepared by the El Paso County Veterans Advisory Board and the County of El Paso's Veterans Assistance Office, with extensive input from community partners, including the Office of State Senator José Rodríguez, the Office of Congressman Beto O'Rourke, and Emergence Health Network.

This guide is the first of many such solutions in bridging the gap between our Veteran Community and the important community services they seek. We look forward to continued work on affairs that impact Veterans and their families.

Sincerely,

Commissioner Carlos Leon, Pct. 1

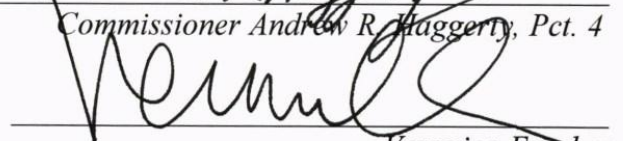

Commissioner Vincent M. Perez, Pct. 3

Commissioner David Stout, Pct. 2

Commissioner Andrew R. Haggerty, Pct. 4

Veronica Escobar
County Judge
