ADDENDUM 3

To: All Interested Bidders

From: Lucy Balderama, Inventory Bid Technician

Date: October 13, 2011

Subject: BID # 11-044, Replacement of Carpet Tile on the 1st Floor, 10th and Lower Level of the County Courthouse

The Purchasing Department received questions relating to the above referenced proposal. The Purchasing has responded to the following questions.

1. Certified Payroll required?
No
2. Why do you have it priced out as you do?
We have a certain amount of money and what is left to do in the lower level is very small. We are hoping to be able to do three floors. So we need it priced individually. The first floor will be done. If we can do the 10th floor and the lower level that would be great. If we can only do one or the other; is why it is priced as an alternative.
3. You are going to want the cove base?
Yes
4. How and where do we price out demo of existing carpet and furniture moving on your form?
Under Labor. Final Price is what is important. We separate just to compare. We need it price individually.
