The Local Preference forms (pg. 78-86) will not apply to the bid mentioned above.

1. Is there an estimate available for this project

Response: The range is between \$45K-65K

2. I noticed that the bid packet had Anthony Cobos name as El Paso County Judge and was dated 23rd day of June 2008. Is this correct or would there be an update bid packet?

Response: This is the correct packet. Anthony Cobos was the judge at the time that the form was approved.

3. On page 73, it indicates the site plan with some dimensions. It only indicates on dimension which could be the length, but what about the width dimension? Please clarify?

Response: The information is found on page 73. Total length is 100 feet. There are three other dimensions. The width of the 100 foot section is 50 feet, attached to the long section is another 65 foot section in length with a width of 42 feet. This can be seen on the provided diagram in the bid.
