The Purchasing Department has implemented its new bid processing vendor notification/registration system. The new system will allow vendors to register and maintain their vendor file real time without the intervention of the Purchasing Department. Responses Due	July 30, 2014 at 2:00 p.m.
Award and Contract approval	August 2014
Notice To Proceed	August 2014

### 2. VENDOR QUALIFICATION

The County will evaluate bids only from experienced, highly qualified door suppliers, hereafter "VENDOR(S)", that have proven successful experience in supplying doors, frames, and hardware for new construction and existing facilities. The VENDOR'S response to this bid solicitation must document and qualify this experience.

### 3. SUBMITTAL INFORMATION

VENDORS that have submitted bids are considered earnest participants and must conform to the following processes after submission.

#### 3.1 SUBMITTALS

All prospective VENDORS must submit one (1) original and six (6) copies in electronic format of their bid, contract(s), terms and conditions for this project. The CD copies should reflect everything that is in the original hard copy.

#### 3.2 PRICING AND COSTS

The COUNTY believes the numbers used as item quantities on the Bid Price Sheet are a reasonably accurate estimate; however, the actual quantity may be more or less than the estimate, and shall not be the basis for any change in the contract per unit price. Additionally, estimates are minimums, but not guaranteed minimums, and the contract cost can increase so long as the unit costs remain the same and increased funds are appropriated in the budget.

#### 3.3 JOINT SUBMISSIONS AND MULTIPLE VENDORS

Unless a bidder is submitting a joint bid, the bidder represents and warrants that by submitting its bid it did not conspire with any other vendor to set prices in violation of relevant laws. A bid submitted by two or more VENDOR'S participating jointly in one bid may be submitted, but one vendor must be identified as the prime contractor and the other as the subcontractor. The COUNTY assumes no responsibility or obligation for the division of orders or purchases among joint subcontractors. Furthermore, all sub-contractors must meet the same expectations and requirements of the Solicitation.

#### **4. RESPONSE FORMAT**

VENDOR responses to the SOLICITATION must follow the forms and format provided in **Appendix A**. Additional information can certainly be provided but not in lieu of the prescribed format. It is intended that the technical and application data be presented separate from the cost data and that the cost data contain no technical data. Please refer to Appendix A for further explanations of each section.

#### **5. VENDOR REFERENCES**

Bids must include references of other entities that are currently utilizing the proposed equipment. The references are mandatory. The references must clearly establish that the proposed equipment is in production usage. The COUNTY is interested in receiving quality products. The references must include projects that are similar to The COUNTY project in terms of scope and complexity.

#### **6. VENDOR DEMONSTRATIONS**

The COUNTY reserves the right to seek clarification or additional information from any vendor throughout the solicitation process, including a sample of the equipment proposed. The COUNTY may require a VENDOR'S representative to answer questions during the evaluation process with regard to the VENDOR'S bid. Failure of a bidder to demonstrate that the claims made in its bid are in fact true may be sufficient cause for deeming a bid non-responsive.

#### **8. NON-RESPONSIVE BIDS**

Any bid that does not directly address the needs of The COUNTY as described in the SOLICITATION will be considered non-responsive and will not be considered. A bid that does not prove the VENDOR'S ability to furnish a suitable solution, based on experience and references, as well as response to the equipment requirements in the SOLICITATION, will not be considered.

#### **9. AWARD**

A recommendation will be made to Commissioners Court to award a contract. THE COUNTY reserves the right to make only one award, multiple awards or to reject any or all bids submitted in whole or in part. THE COUNTY further reserves the right to make no award and to modify or cancel, in whole or in part, this bid.

#### **10. COOPERATIVE PURCHASING**

This contract may be utilized for purchases by other local government entities under an inter-local cooperation agreement, Texas Government Code Chapter 791. Any contract award by the County of El Paso that is used by another local government entity under an inter-local agreement shall be contingent upon the issuance of a purchase order or execution of a separate contract by the other local government entity. The Contractor must deal directly with the other local government entity concerning the placement of orders, issuance of the purchase order, insurance certificates, contractual disputes, invoicing and payment or any other terms and conditions that the other local government entity may require. The actual utilization of this contract award by the other local government entity is at the sole discretion of that other local government entity. The County of El Paso shall not be held liable for any costs, damages, etc. incurred by any bidder with regard to any purchase by another local government entity. The County of El Paso shall be legally responsible only for payment for goods and services in the quantities detailed in the County's own purchase order or contract.

**COUNTY OF EL PASO GUIDELINES AND CRITERIA  
FOR  
CONSIDERATION OF LOCATION  
OF BIDDER'S PRINCIPAL PLACE OF BUSINESS  
(LOCAL BUSINESS PREFERENCE POLICY)**

**I. AUTHORIZATION**

Section 271.905 of the Texas Local Government Code authorizes the County of El Paso to give consideration to the location of a bidder's principal place of business in awarding the bid ("Local Business Preference"). In order to do so, the County Commissioners Court must determine, in writing, that the local bidder offers the County the best combination of contract price and additional economic development opportunities for the County created by the contract award, including the employment of residents of the County and increased tax revenues to the County.

**II. GENERAL PURPOSE AND INTENT**

**A.** The purpose and intent of these Guidelines and Criteria is to set forth the parameters under which the County of El Paso may consider the location of a bidder's principal place of business in awarding the bid.

**B.** All applications for consideration will be considered on a case-by-case basis, and the decision to approve or deny consideration shall be at the discretion of the El Paso County Commissioners Court.

**C.** The County of El Paso reserves the right to reject all bids; award a contract to the lowest bidder; or to award the bidder whose principal place of business is in the local government if the governing body of the local government determines, in writing, that the local bidder offers the local government the best combination of contract price and additional economic development opportunities for the local government created by the contract award, including the employment of residents of the local government and increased tax revenues to the local government.

**III. FACTORS THAT THE COUNTY MAY CONSIDER IN AWARDING A CONTRACT UNDER THE LOCAL PREFERENCE POLICY**

**A.** The bids must be for any real property or personal property that is not affixed to real property.

**B.** The location of the bidder's principal place of business must be in the County, as evidenced by submission of the current and valid Franchise Tax Certificate and the Certificate of Account Status on file with the Texas Secretary of State, or other documents if applicable under the Texas Business Organizations Code.

**C.** The bidder's bid price must be within 3% of the lowest and best qualified bid.

**D.** The bidder must include in the bid a written application for the Local Business Preference providing objective information satisfactory to the Commissioners Court as to how the award of the bid will lead to additional economic development opportunities for the County created by the contract award, including (1) The employment of County residents, and (2) Increased tax

revenues to the local government. Such information shall be as appropriate to the type of bid, but may include, but is not limited to:

- (i) bid amount as percentage of reported local annual sales/revenue;
- (ii) economic impact- number of employees added within past 12 months
- (iii) new job by salary category
- (iv) local annual property taxes paid

**E.** The bidder must not be tax-delinquent as to federal, state, or local taxes.

**F.** The bidder may not subcontract the award, or any part of the award.

**G.** The bidder must not be indebted to the County. "Debt" includes delinquent taxes, fines, fees, and delinquencies arising from written agreements with the County. (This provision will take effect immediately upon the action by Commissioners Court required under Texas Local Government Code section 262.0276).

**H.** In determining who is a responsible bidder, the commissioners court may take into consideration the safety record of the bidder, of the firm, corporation, partnership or institution represented by the bidder. (This provision will take effect immediately upon the action by Commissioners Court required under Texas Local Government Code section 262.0275).

**I.** All bidders, including owners, principals or officers if the bidder is a corporation or other legal entity, seeking Local Business Preference will be required to submit an affidavit of any and all political contributions to members of Commissioners Court for the previous 12 months.

**J.** A business in which a member of Commissioners Court has a substantial business interest as defined under Texas Local Government Code Chapter 171 is not eligible for consideration under the Local Business Preference Policy.

#### **IV. APPLICATION**

**A. Case By Case Basis.** If the Purchasing Agent and Procurement Review Panel determines that a proposed bid is appropriate for Local Business Preference, it will include in the bid the information required from the bidder. Only bids for real property or personal property that is not affixed to real property are eligible for the Local Business Preference.

**B. Written Application:** A bidder may request consideration for Local Business Preference by submitting the required information as part of the bid. There is no charge to submit the application.

**C. Contents of Application:** The application shall consist of a completed application form. The application must include objective, verifiable information from the bidder as to how the local bidder offers the County the best combination of contract price and additional economic development opportunities for the County created by the contract award, including the employment of County residents and increased tax revenues to the County. The application form may require such financial and other information, as the County deems appropriate for evaluating the financial capacity and other relevant factors of the applicant.

## V. ADMINISTRATION

**A. Annual Assessment:** Each September, the Purchasing Agent shall separately account for all bids awarded pursuant to the Local Preference Policy and the County Auditor shall annually determine the total value of contracts awarded pursuant to the Local Preference Policy.

**B. Annual Reports:** Each September, a company receiving a contract award pursuant to the Local Business Preference shall report to the County its annual revenues, annualized employment levels distributed by wage brackets, the addition or deletion of capital assets in excess of \$1,000,000.00, and any other pertinent information that would affect the ability of the local operation to maintain its status as a going concern.

**C. "Buy Local" Provision:** Each recipient of Local Business Preference shall additionally agree to give preference and priority to local manufacturers, suppliers, contractors and labor, except where not reasonably possible to do so without added expense, substantial inconvenience, or sacrifice in operating efficiency. The Annual Report by the company shall include a summary of the action taken by the company pursuant to the "Buy Local" Provision.

## VI. CONFIDENTIALITY

Adopted this 17<sup>th</sup> day of December, 2012 by the El Paso County Commissioners Court.
