NB-No bid.

DNMS - Does not meet specifications.

Justification for low bids selected: As indicated in the request for bid, any catalog, brand name or manufacturer's reference number used is considered to be descriptive--not restrictive--and is indicative of the type and quality the County desires to purchase. Bids on similar items of like quality have been considered as full descriptions were provided and have satisfied the needs of the County. Where a vendor did not meet specifications, the vendor did not submit an alternate bid for the unit of measure requested.
