### **ADDENDUM 1**

To: All Interested Bidders  
From: Lucy Balderama, Inventory Bid Technician  
Date: June 24, 2015  
Subject: Bid# 15-028, Automotive Batteries for the County of El Paso

---

#### **This addendum has been issued to notify vendors of the following questions:**

1. On the bid price sheet, line #8, batter group size 96 and Line #11, battery group size 40, we need more information. What do these batteries fit? Can we get the dimensions? Can we get the year, make and model these to?

**Response: Response:**

- **Line #8 Battery Group Size 96 is for a 2012 Ford Fusion.**
  - **Line #11 Battery Group Size 40 is not correct. The correct size is 4d and it is for a 2002 John Deere Motor Grader**
2. Each battery needs to have a core return or a charge for no core will be included. Do you want vendors to include this core charge or will a core be present with all batteries?

**Response: Most departments will take in the core. The Sheriff's Department and the Road Bridge department buy in bulk. Please provide the price for the core on "Additional Fee" column.**
