Ascarate Toll Booth and Rentals For the Period of June 2024 to April 2025

EXECUTIVE SUMMARY

BACKGROUND

The Ascarate Park Toll Booth collects Commissioners Court approved gate entrance fees for the park. The park is open every day; however, gate fees are only collected for scheduled special events and certain holidays. Customer receipts are generated by the Ascarate Park collection software (RecWare). The park administrative office is responsible for booking and recording payment of all rentals. Ascarate Park rentals include soccer and baseball fields, the pavilion, picnic shelters, and hosting special events. they also collect for rentals of the San Elizario Placita. Financial reports are generated with RecWare, showing daily collections for each month and are accounted for in the County's financial accounting system, Enterprise ERP. Ascarate Park rentals experienced an increase in revenues due to a marketing initiative and the recovery from the pandemic that impacted social events. Collections for 2022, 2023, and 2024 are illustrated below:

INHERENT LIMITATIONS

This financial review was designed to provide reasonable assurance that the internal control structure is adequate to safeguard the County's assets from misrepresentation, loss, theft, or misuse. The County's internal control structure is designed to provide reasonable, but not absolute assurance that these objectives are met. The concept of reasonable assurance recognizes that: (1) the cost of implementing the controls should not exceed the benefits likely to be derived; and (2) the valuation of costs and benefits requires the use of estimates and judgment by management. Because of the inherent limitations in any system of internal controls, errors or irregularities may occur and not be detected.

CONCLUSION

The Toll Booth continues to implement improvements in their operations and met all the seven audit objectives. Therefore, no recommendations were provided in this report.
