

Parenting Coordinator

Goal: To assist parents in separated and/or divorced families in resolving parenting issues through **confidential procedures**.

1. Help with ongoing disagreements about implementation of a parenting plan.
2. Reduction of cost and the burden from continued litigation.
3. The Parent Coordinator will facilitate the resolution of the parents or parties to the suit's disputes.
4. Education about child/ren's needs.
5. Assist the parents or parties to the suit in implementing (not modifying) safe and workable parenting plans.
6. A Report to the Court will be submitted if requested by the Court which will indicate whether the Parenting Coordinator believes parent coordination should continue.
