

EL PASO COUNTY DEPARTMENT OF HUMAN RESOURCES

Educational Assistance Program

Adopted Date: November 18, 2013

Revised Date: August 9, 2021

This policy serves as the County of El Paso's Educational Assistance Program (EdAP) which solely provides educational tuition reimbursement assistance, based on availability of funds, to County employees for the payment of expenses incurred by an employee for his or her education.

I. Purpose

It is the purpose of this policy to encourage and support employees' professional development, provide for optimal potential for advancement within the County, and attract and retain the best individuals as County employees.

The County of El Paso Educational Assistance Program provides non-taxable financial support to employees who pursue professional growth and development through higher education. This policy is intended to be a qualified educational assistance program pursuant to the Internal Revenue Code [26 USC 127] and Internal Revenue Service (IRS) Regulations [26 CFR 1.127-2].

The County of El Paso Educational Assistance Program does not: discriminate between employee classifications; favor higher compensated employees over other employees; or favor one type of qualified educational pursuit over another. The IRS recognizes that collective bargaining agreements may provide employees with different levels of educational benefits, including none at all. The IRS Regulations exclude bargained educational benefits from the discrimination prohibition [26 CFR 1.127-2(e)].

The funds provided by EdAP are intended to be supplementary to, and not a replacement for, educational opportunities provided through other sources in the County's budget (for example, seminars, conferences, webinars, etc.)

II. Eligible Employees

This policy applies to non-collective bargaining covered employees. Employees must also meet the following requirements to be eligible to receive Educational Assistance under this program:
