DESCRIPTION

- **Instant-on Technology reduces wait times.** The technology dramatically cuts printer warm-up time from low-power mode, for faster first-page delivery and reduced overall print times.
- **Color laser printer lets you create high-impact, professional documents.** Great for the small office or home office, the LaserJet CP2025dn lets you print documents in brilliant color or black-and-white. Laser technology offers reliability and low maintenance.
- **Prints up to 21 ppm color for high productivity.** The high-speed printing, up to 21 pages per minute for either color or black-and-white documents, keeps up with the printing needs of a busy office or workgroup.
- **High-resolution results via image enhancement.** HP's ImageREt 3600 (Resolution Enhancement technology) ensures sharp, clear text and graphics and optimum color quality. Hardware print resolution is up to 600 x 600 dpi.
- **Built-in networking allows easy printer sharing.** Ethernet connectivity (10/100Base-T) allows everyone on your network to use the printer, with no need for a dedicated computer acting as a print server. There's also USB connectivity for connection to a computer.
- **Double-sided printing saves paper.** Automatic 2-sided printing reduces your paper consumption, saving you money.
- **40,000-sheet monthly volume handles high demands.**
- **Backed by the manufacturer's 1-year limited warranty.**
- **Energy Star Certified.**

Canon Printers

Stylish, high-resolution printer for your mobile lifestyle

- **Speedy photo printing on the go!** The iP100 delivers prints at up to 20 pages per minute in black and 14 in color. It can also print a borderless 4" x 6" photo in as little as 50 seconds! Why bring your photos to a lab when you can conveniently do it yourself?
- **IrDA port for wireless printing!** An IrDA port enables your printer to exchange data with other devices like PDAs or camera phones without a cable connection. As long as the iP100 is in sight it will print! Also features a USB 2.0 port for wired connectivity and maximum compatibility.
- **Photo lab results...up to 9600 x 2400 dpi optimized.** Get the sharpest print results for crisp, colorful images that pop off the page. Prints black at 600 x 600 dpi, and optimized color at 9600 x 2400 dpi. The iP100 features FINE print head technology and tiny nozzles that eject microscopic droplets of ink as small as 1 picoliter for incredible accuracy.
- **Compact, lightweight design lets you take it anywhere!** Fits great in most travel bags to offer fast printing wherever you are. Overall dimensions: 2.4"H x 12.7"W x 7.2"D.
- **Enhance your photos with Auto Image Fix.**
- **50-sheet tray capacity can handle larger jobs!**
- **For use with Windows 2000/XP/Vista and Mac OS X 10.2.8 and later.**
- **Backed by the manufacturer's 1-year limited warranty.**

FOR

C.C.
AGENDA

Date: 08-23-10

To: Lucille Samuel

Through: Commander P. Cross, Sgt. R. Hernandez *RH*

From: Gladys Carmona, Crime Victim Liaison

Subject: Request for purchase

Request purchase of the below listed items. Our new Education Specialist Trainer will be using the color printer and scanner for materials to hand out during trainings for our deputies, detectives and dispatch personnel. In addition, brochures will be printed out informing the public of the services our Unit provides. These brochures will be handed out at fairs, presentations and trainings. The additional portable inkjet photo printer will be used to assist victims or crime out in the field that need documents copied, which are unable to come to the office to receive assistance through the Crime Victims Compensation Program. The funds used to purchase these items will be taken out of the VAWA ARRA Gant.
