

COMMISSIONERS COURT COMMUNICATION

AGENDA DATE : April 22, 2013

CONSENT OR REGULAR: Regular

CONTRACT REFERENCE NO
(IF APPLICABLE):

SUBJECT: Discuss and take appropriate action to amend the current policy regarding County purchases of cellular phones for employees. Further, discuss and take appropriate action regarding the purchase of cellular phones for Commissioners Court and staff.

BACKGROUND/DISCUSSION OF TOPIC:

Currently, the County does not provide or subsidize cellular phone service for employees, except in very narrow circumstances. In an effort to mitigate any potential concerns over the use of personal technology, the current County cellular device policy should be examined to consider providing cellular devices for the Commissioners Court and their staffs. As the Commissioners Court is the main body in the County that is subject to the Texas Open Meetings Act, and in an effort to ensure that all communication by Commissioners and their staffs is easily accessible and available for public review, the Court should examine the public benefits of providing Commissioners and their staffs with cellular devices.

FISCAL IMPACT:

An estimate generated through the State of Texas' DIR plans/offers is approximately \$11,997.36 That is approximately \$55/month/user.

PRIOR COMMISSIONERS COURT ACTION (IF ANY):

(See Above)

RECOMMENDATION:

Amend the County cellular device policy to provide service to the Commissioners Court and their staffs. Further, authorize the acquisition of cellular devices for the Commissioners Court and their staffs.

COUNTY ATTORNEY APPROVAL

The attached document has been given legal review by the El Paso County Attorney's Office on behalf of the County of El Paso, its officers, and employees. Said legal review should not be relied upon by any person or entity other than the County of El Paso, its officers, and employees.
